House-Approved Tax Cut Sent on to Senate; Future Of Plan Seems Uncertain

W.Germany's Sovereignty Debate Rages

Ratification of Paris Treaties Likely Despite Socialists' Opposition

BONN, Germany (AP)—Opposition Socialists rallied their forces today for a last ditch—but apparently hopeless—struggle to block the Paris treaties rearming West Germany.

As the parliamentary battle over ratification entered its third day, the clashing lawmakers faced the prospect of an all-night session before reaching a vote. All hope for French approval of German sovereignty and rearmament rested on the outcome.

Victory Seems Certain

Despite the fierceness of the fight, Chancellor Konrad Adenauer seemed certain of victory in his drive to push the pacts through the Bundestag, the lower House of the West German Parliament.

The Socialists virtually conceded defeat in advance by summoning party chiefs to a conference immediately after the close of debate "to consider the new political situation."

There was no clear indication when the final vote might come. Using near-filibuster tactics of long speeches and frequent interruptions, the opponents of the pacts have delayed the proceedings so much that today's schedule showed a big backlog of speakers.

Although the Bundestag rarely sits after midnight, the government anxious for quick ratification, was ready to continue the debate into Sunday morning if necessary to reach an end at this sitting.

The House was scheduled to take a semifinal vote after all sections of the treaties have been discussed. Then Adenauer and Socialist party Chief Erich Ollenhauer were to make their last bid for support before the final ballot.

If approved, the ratification laws must be returned to the Bundesrat (upper House) for final action before being sent to President Theodor Heuss for his signature.

Provisions of Treaty

The four treaty laws before the Bundestag would:

1. End the 10-year Allied occupation of West Germany.

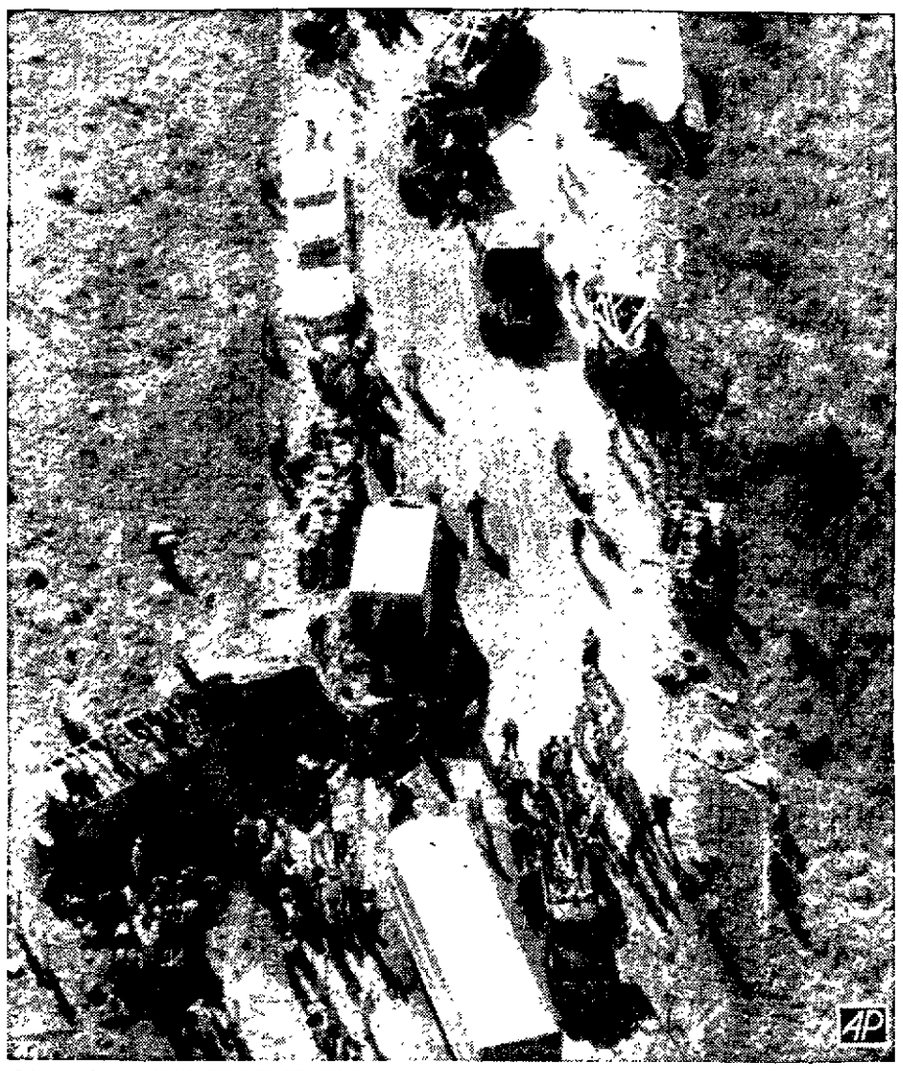
2. Authorize the Western Big Three Powers — France, Britain and the United States—to maintain armed forces in West Germany.

3. Admit West Germany into the 7-nation West European Union and the North Atlantic Treaty Organization.

4. "Europeanize" the strategic Saar.

The government seemed certain to win overwhelming majorities on the first three. Only the troublesome Saar agreement faces a close squeeze.

Under the agreement, the Saar would be controlled by a European commission. The heavily-industrialized area, German before World War II, is now autonomous but tied economically to France.



LOOKING DOWN ON TRUCK CRASH SCENE. Workers and bystanders cluster, (lower left), around wreckage of two of three tractor-trailer trucks involved in collision at Belle Glade, Fla. Wreckage off highway is truck in which driver died. At top, wrecker hooks onto cab of third truck involved, while remains of trailer lie in ditch alongside. Produce salvaged from wreckage is stacked neatly alongside highway, center. Three trailer-trucks were involved in the crash and 17 more persons were injured when vehicle loaded with farm laborers smashed into line of cars stalled by the first accident. Laborers' truck does not show in picture.

Japan Votes Tomorrow on Its Legislators

Four Major Parties, Communists in Race; Conservatives in Front

TOKYO (AP)—Japan votes tomorrow in a national election that will help set the nation's course in the cold war struggle between communism and the West.

It also will decide how fast Japan will rearm.

4 Parties in Race

There are four major parties in the race, two conservative and two socialist. The Communists also are trying a minor comeback.

Predictions are that the conservatives will pile up a commanding margin.

At stake are the 467 seats of the House of Representatives, which elects the prime minister and makes Japan's laws.

A record 37 to 38 million Japanese men and women—75 per cent of those registered—are expected to vote. Women have voted in Japan only since the war.

It is Japan's sixth postwar election and her third since regaining independence in April, 1952.

The voters will choose among more than 1,000 candidates in 118 election districts from Hokkaido, within sight of Soviet-held territory, to Amami Oshima, near Okinawa.

Favors Ties With U.S.

These major parties are in the race:

1. Prime Minister Ichiro Hatoyama's Democratic party (conservative), which now holds 124 seats in the lower House. Hatoyama, 71, favors increased trade and diplomatic ties with Japan's Communist neighbors, Russia and Red China, but says he does not want to weaken Japan's strong bonds with the United States.

2. The equally conservative Liberal party of former Prime Minister Shigeru Yoshida, largest now with 180 seats. The Liberals warn against going too far with Communist trade. They follow solidly American foreign policy.

3. The right Socialists, with 61 seats. They tend to favor a neutral course in the cold war and oppose rearmament, favored by both the conservative parties.

4. The left Socialists, with 74 seats. The leftists range from neutralism to pro-communism and are strongly opposed to rearming Japan.

5. The Communists, who have only one seat but have about 70 candidates in the race.

The two conservative parties—the Democrats and the Liberals—are split mainly over personalities and relations with Communist nations. If one or the other scores an outstanding victory, the winner may swallow the other.

Byrd Thinks Rejection of Slash Likely

Sen. George, Though, Not So Sure; He Wants To Review Situation

WASHINGTON (AP)—A proposed $20-a-person income tax cut voted by the House yesterday headed today for an uncertain reception within the Senate Finance Committee.

Chairman Byrd (D-Va) called for testimony Monday by Secretary of the Treasury Humphrey. Byrd, who opposes the reduction, announced he would try to get a committee vote on the bill then to bring it before the Senate next week.

Retains Some Taxes

In addition to the proposed $20 slash effective next Jan. 1, for each taxpayer and each of his dependents, the measure would continue corporation income taxes at 52 per cent instead of permitting them to drop to 47 per cent on April 1. It also would extend excise levies on liquor, tobacco, gasoline, automobiles and other items at present levels.

Byrd said he believes the committee will strike out the Democratic-sponsored income tax cut which survived a 210-205 House vote before that chamber passed the bill 242-175.

But Sen. George (D-Ga), on whom Byrd was counting heavily as an ally, said in a separate interview that he wants to canvass the situation thoroughly before he decides what steps to take.

This statement represented an apparent change in views by the Georgia senator since President Eisenhower last Wednesday denounced the income tax cut as "reaching some kind of heights in fiscal irresponsibility."

Previously George had said that he considered the proposal "unwise and unfortunate" at this time.

Claim Political Victory

House Democrats, headed by Speaker Rayburn of Texas, tightened their lines after Eisenhower's statement and won what many of them considered a political victory over the administration. On the key 210-205 vote, the tax cut was supported by 205 Democrats and 5 Republicans, and opposed by 16 Democrats and 189 Republicans.

He told newsmen while visiting at Gettysburg, Pa., that "the very closeness" of the House vote encouraged him to believe the Senate will kill the proposal.

George, regarded as the key to whether Senate Democrats can weld a strong party vote, said he is worried primarily by the possibility that the House may refuse to vote any tax bill if the $20 cut is stricken out.

Church Street Residents Ask Parking Rights

Home Owners in East Section of City Request Lifting of Restrictions

A request for repeal of a parking prohibition on the south side of E. Church St. from Cummins Ave. east to S. Grand Ave. was presented to Mayor Harold F. Robinson today by 12 area residents.

Presented in the form of a letter prepared by an attorney representing the group, the request called the parking ban a hardship on those persons living along the south side of this section of the street.

They added that this area was far removed from uptown traffic congestion and the "restriction of parking serves no real purpose other than the annoyance of those residents in the locality."

Mayor Robinson said the request would be turned over to the traffic commission for further study and a report would be made to City Council Monday night.

He pointed out that this section of E. Church St. is narrow and if parking is permitted on both sides of the street, only one lane remains open for traffic.

Parking on the south of Church St. from Park Blvd. to Kensington Pl. was prohibited several months ago to permit the free flow of traffic, both east and west, on Church St. This was on a 90-day trial basis, after which Council adopted legislation establishing a 3 to 6 p.m. parking ban on the south side of Church St. in the downtown section and leaving a 24-hour-a-day parking ban on the rest of the street, the mayor said.

Mayor Robinson said that

Tonnage Unknown

Nationalist Planes Sink 2 Red Vessels

TAIPEI, Formosa (AP)—Nationalist warplanes early today attacked Chinese Communist craft northwest of the tiny island of Wuchiu in the Formosa Strait and destroyed two, air force headquarters reported.

The communique did not describe the type of tonnage of the Red ships. It said all Nationalist planes returned safely.

Gunboats Shell Island

Earlier, the Defense Ministry reported Chinese Red gunboats shelled Nationalist-held Wuchiu but said it was not regarded as preliminary to an invasion attempt.

The Nationalist Ministry said the exchange of gunfire at tiny Wuchiu, 80 miles west of Formosa and less than a half square mile in area, broke out when 11 Communist gunboats and armed motorized junks happened to pass by.

A communique said two of the Red craft were damaged heavily.

In Taipei, Nationalist Premier O.K. Yui told the Legislative Yuan (Parliament) that Chiang Kai-shek's forces would "in no circumstances" give up Quemoy and the Matsus without a fight.

The Premier said those islands were vital to the defense of Formosa and the Peseadores and added that he believed American experts should agree. The United States is committed to defend unspecified areas which it deems necessary to the defense of Formosa and the Pescadores.

West of Formosa

The Matsus are 100 miles west of Formosa's northern tip and straddle the approaches to the Communist port of Foochow. Quemoy, farther south, juts into the Red harbor of Amoy.

Bucyrus Man Critically Hurt In Auto Crash

CRESTLINE — A Bucyrus man, Charles G. Cress, 38, is in serious condition at Crestline Emergency Hospital, following an accident west of Crestline Friday afternoon. Two other persons also were hospitalized from the accident.

Cress was the driver of a westbound automobile on U.S. Route 30-N and Frank Parrish, 35, of Galion, was the driver of a northbound automobile on State Route 598 which collided at the intersection at 5:25 p.m.

The intersection is 10 miles east of Bucyrus and west of Crestline.

Parrish and his wife, Edith, also were hospitalized. Parrish, who sustained contusions of the face, and lacerations of the face, right knee and head, was released this morning. Mrs. Parrish, who sustained a fractured right leg, fractured nose, and contusions and lacerations of the face and arms, was reported to be in good condition today.

Cress sustained a possible back injury, a possible jaw fracture, severe laceration and shock.

The accident is still under investigation by state highway patrolmen from the Bucyrus post.

Youth Held Responsible In Death of Ohio Student

MEDIA, Pa. (AP)—A 22-year-old Pottstown youth was found responsible for the slaying of a fellow student at Swarthmore College by a coroner's jury yesterday. It recommended the defendant be held for court.

Robert B. Bechtel, a proctor in one of the school dormitories, is charged with the shotgun slaying of Francis H. Strozier, 19, of Akron, Ohio, as the latter lay asleep in his room.

Bechtel has said that Strozier was the leader of a group of student pranksters who had been playing all sorts of practical jokes on him.

Buses To Start Special Runs to Churches Soon

Sunday bus service to downtown Marion churches is scheduled to begin March 6.

Plans have been made for two morning trips, before Sunday School and after worship service, with four buses of the city bus system traveling in the four directions, the Marion Ministerial Association announced today. Routes will approximate closely the routes used by the buses regularly.

Fares will be 10 cents for adults and half price for children 12 and under. Balance of the cost of the project will be divided among the churches participating. At least nine churches will make use of the service.

Stops will be made at every one of the downtown churches. On the return trip after church services the buses will leave from Central Christian Church on Mt. Vernon Ave. and pick up passengers for the various sections of town with last pickups at First Presbyterian Church and First Church of the Nazarene.

The committee on arrangements is headed by Rev. J. B. Holloway and Rev. Warren W. Lindstrom of Trinity Baptist Church.

Man, Physician Called To Aid Him Are Killed

Assailant Captured by 30 Police After Wild 90-Minute Gun Battle

APPOMATTOX, Va. (AP) — An Appomattox man early today shot and killed two men, police said, then fought a savage 90-minute gun battle with nearly 30 officers before he was wounded and captured.

Police said Frank Mayberry, 49, first shot his brother-in-law, then felled a physician who was called to the scene. Mayberry was charged with two counts of murder. He denied the shootings.

No Motive

Authorities said they knew of no motive for the wild shooting spree, at the nearby south central Virginia village of Evergreen.

The dead were Jack Tucker, about 40, and Dr. David A. Christian III, about 34.

During the gun battle that followed the twin killings, police besieged Mayberry with hundreds of rounds of ammunition, tear gas bombs and flares.

Officers swarmed over Mayberry after he was toppled by four wounds from a shotgun blast fired by David T. Robertson, Appomattox county sheriff. Mayberry's wounds were not serious and he was held in the county jail here under heavy guard.

Police Account of Events

Vincent Spezzano, reporter-photographer for the Lynchburg (Va.) News, questioned Mayberry as he was being handcuffed by police.

"I asked him why he shot Tucker," Spezzano said. "He denied shooting him. I asked him if he shot the doctor. He said he didn't shoot anybody."

Senate Turns Down Idea of Tax-Free Pay

House May Demand Some Substitute in Compromise Meetings

WASHINGTON (AP)—Sen. Kefauver (D-Tenn) and Rep. Walter (D-Pa) agreed today the House would demand some substitute for the tax-free fund which caused a surprise Senate rejection of a compromise on congressional pay raises.

The Senate shouted down the measure yesterday and sent it back to conference with the House. No further action is possible before Monday.

The bill carries a $22,500 salary for the lawmakers, $7,500 more than they now receive, in addition to the controversial $1,250 nontaxable allowance designed for excess office expenses.

Also included were increases of $7,500 to $10,000 in the pay of federal judges, and raises for the vice president, House speaker, U. S. attorneys and their assistants, and top justice department officials.

After the voice vote rejection of the bill worked out by a Senate-house conference committee the Senate voted 62-7 to instruct its

Oberlin Crash Kills 4 as Auto Hits Tree

OBERLIN, Ohio (AP) — Four persons were killed early this morning when a car missed a curve in Oberlin and crashed into a tree.

The four were identified as Larry Moore, 25, the driver; William Wheeler, 27; Evelyn Rutter, 37, and Ervil Rutter, 41, her husband, all of Oberlin.

Other details were not immediately available.

Continued Rain Expected Here

Drop in Temperature Forecast for Sunday

Light rain which began in Marion this morning was expected to continue this afternoon and tonight with occasional showers also forecast for Sunday. The low temperature tonight is expected to be between 36 and 42 with slightly colder weather Sunday night.

Mild winter weather prevailed over wide areas of the country today but the northern Midwest and sections of the Rockies were cold. There were several wet spots as the belt of light rain extended from eastern Kansas through Missouri into Illinois with scattered areas of drizzle southward to the western Gulf of Mexico. Snow fell over the Northern Plains, the Northern Rockies and Pacific Northwest.

Dulles in Burma For Conferences

RANGOON, Burma (AP)—Secretary of State Dulles today came here to have "full and friendly" talks with Burmese leaders.

Many Burmese believe Dulles is here to try to win Prime Minister U Nu over to the side of the West in the cold war, but the secretary said after his arrival:

"I did not come here to woo or be wooed."

The secretary flew to Rangoon this morning from Bangkok where the first conference of Manila Pact powers was concluded yesterday.

Effective April 30

Gen. Hull, U.N. Far East Commander, Will Retire

WASHINGTON (AP)—The Army today announced the retirement April 30 of Gen. John E. Hull, U.S. and U.N. commander in chief in the Far East. His successor was not named immediately.

Hull will leave the Army after more than 37 years service and just one month before he would be subject to compulsory retirement.

He would have been subject to involuntary retirement on May 26 when he reaches age 60.

Hull is the fourth Army general to hold the top command in the Far East, starting with Gen. Douglas MacArthur.

The announcement of his retirement, coming at a time when Gen. Maxwell D. Taylor, second rank-

Ike Helps Painter To Mix Right Color for His Barn

THURMONT, Md. (AP)—President Eisenhower, an amateur artist of note, probably never took more care with an oil portrait than he did in selecting the color he wants his barn painted.

The barn is on his 189-acre farm at nearby Gettysburg, Pa., and the shade he chose — with Mrs. Eisenhower's approval — is pastel grayish green, with a white trim.

The President spent five hours at the farm yesterday inspecting the nearly completed new home he and Mrs. Eisenhower are building on the historic Civil War battlefield, and going over repair work on the big old barn, now a weather beaten red.

When it got too dark to see much around the place, the chief executive and the First Lady drove 25 miles for a weekend of rest at their rustic lodge here in Maryland's Catoctin Mountains.

While Mrs. Eisenhower and New York interior decorator Elizabeth Draper planned furnishing of the new home, he wandered down to take a look at the barn.

He found the painters applying a coat of primer white over the red and experimenting with a yellowish green trim. The chief executive had a different idea.

"What I had in mind," he told building contractor Charles Tompkins of Washington, "was a gray green with a white trim."

Then he thought of his wife and added with a laugh:

"I'll have to ask Mrs. Ike. She'll have the last word on it."

Ohioans Follow Party Lines in Tax Cut Voting

WASHINGTON (AP) — Ohio members of the House of Representatives voted along party lines yesterday as the House passed a bill cutting individual income taxes $20 per person while continuing the present corporate and excise tax rates.

Five of six Ohio Democrats favored the measure. They were Reps. Ashley, Feighan, Hays, Polk and Vanik. Rep. Kirwan was paired for the measure.

Fifteen of 17 Republicans opposed the cut. They are Reps. Ayres, Baumhart, Betts, Frances Bolton, Bow, Brown, Clevenger, Henderson, Hess, Jenkins, McCulloch, Minshall, Schenck, Scherer and Vorys. Reps. Oliver Bolton and McGregor were not recorded as voting.

Voting earlier followed the same pattern on a defeated Republican motion to strike the $20 income tax reduction provision from the bill. Democrats Ashley, Feighan, Hays, Polk and Vanik voted against the motion, and Rep. Kirwan was paired against. All Ohio Republican members except Oliver Bolton and McGregor voted for the motion, McGregor and Bolton were not recorded as voting.

Harer Re-Elected Crawford County's Dairy Board Head

BUCYRUS — Earl Harer, prominent New Washington area dairy farmer, has been re-elected chairman of the Crawford County Dairy Board.

John Spreng, Whetstone Township farmer, succeeds George Damschroder of Bucyrus Township as vice president and County Agriculture Agent Russell L. Miller was re-elected secretary-treasurer.

Eight township and four at-large directors also were elected at the group's annual meeting held here. Township directors re-elected include Marvin Cooper of Holmes, John Yaussy of Liberty, Lester Ross of Polk and Homer Hedges of Lykens. New township directors are Eugene Tupps of Jackson, Warren Gunther of Dallas. Richard Schultz of Chatfield and Howard Moon of Vernon.

Re-elected directors-at-large were George Damschroder, George Van Orsdall of Cranberry Township, and Spreng. New director-at-large is James Rindfuss of Holmes Township.

The board has voted to continue its junior fair awards, a show halter to the junior dairy showmanship contest winner and $5 each for the owner of each dairy animal, which is a product of artificial insemination and is champion in its class. In addition, the board voted to give $2 for each artificially-produced animal, which receives an "A" grade and $1 to each animal receiving a "B" grade.

Cardington Senior Cops Highest Score in County

CARDINGTON — A Cardington senior, Donald Edgecombe, son of Mr. and Mrs. Albert Edgecombe, was high in the county in the annual senior scholarship examinations according to results received here this week by Spt. Richard Fuller of Marengo who had charge of the exam.

Frank Spies of Chesterville, son of Mr. and Mrs. W. G. Spies, finished second. Edgecombe had a score of 219 out of a possible 300 and Spies had a score of 204. The exam was given at Mount Gilead on Jan. 29 to nearly 100 Morrow County seniors.

Mount Gilead School had eight among the 17 in the upper 25 per cent in the county.

Pure Science Falling Off

CINCINNATI (AP)—The accent in scientific America is on immediate usefulness rather than scientific theory, says Dr. Mitchell Wilson of Vineyard Haven, Mass. The physicist and novelist said in a speech last night that the inbalance between experiment and theory is increasing rather than being repaired. He contended the United States is in danger of losing its leadership in science because of a lack in "its own reservoir of scientific theory."

CLUB ORDERED CLOSED

YOUNGSTOWN, Ohio (AP) — The Ebony Club has been padlocked as a common nuisance by Common Pleas Judge David G. Jenkins. Before ordering John and Alice Williams, owners, to close the place for a year, the judge yesterday heard evidence that the club sold liquor illegally and was frequented by drug addicts.

All 3 Who Now Say They Gave False Witness Are Ex-Ohioans

By JAMES B. SIBBISON

WASHINGTON (AP) — In recent days, three former Ohioans have stepped forward with startling stories that they had borne false witness for the government.

One of them, ex-Communist Harvey Matusow of New York City, had only a fleeting experience in Ohio as soldier, Red hunter and salesman for an anti-Communist publication called "Counter Attack."

Lied About Antioch

He now says he lied when he testified that some 500 students at Ohio's Antioch College had Communist leanings.

But the other two—Mrs. Marie Natvig of Miami Beach, Fla., and Lowell Watson of Olathe, Kan.—had fairly firm roots in the Buckeye State.

Both Mrs. Natvig and Watson were called as witnesses last fall in the communications commission's investigation into the background of publisher-broadcaster Edward Lamb of Toledo, Ohio.

And both now say they lied—at the urging of commission personnel—in linking Lamo with Ohio Communists in the 1930s. Lamb says the government case is a frameup.

Judged by their ages, Mrs. Natvig and Watson are contemporaries. She is 51. He is 52. They lived in Cleveland—without knowing each other—in the 1930s.

But to anyone who has observed and heard them on the witness stand, the similarities end right there.

Thrice Married

To take up Mrs. Natvig first. A sharp-eyed, neatly attired, thrice married divorcee, she listened intently to questions as she sat on the witness stand for 11 days.

She said she became a Communist in the depression because she was "constantly hungry." On the other hand, she said her father Jacob Rose of Cleveland, was "well fixed" at the time.

The early 1920s, she said were better. Then, she said, she had a Rolls Royce, three servants and a New York City penthouse.

But there was one point about her personal affairs that brought fire into Mrs. Natvig's cheeks—questions about her children. She even grabbed a heavy water jug and threatened to "kill" a Lamb lawyer when he touched that subject.

Watson, now a Kansas dairy farmer, is a different personality altogether. He frequently paused to frame a careful answer before responding to a question. He spoke in a solemn, booming bass.

Mrs. Natvig said in reversing her earlier testimony that she really knew nothing of communism, never was a Red, and considered party-line talk unintelligible for the most part. Watson said he was a hardened Communist functionary in West Virginia, and in Toledo and Cleveland from 1929 to 1941.

Now the two have stepped down from the witness chair in the Lamb hearing.

How does the presiding examiner in the case, Herbert Sharfman, evaluate the testimony of the two?

Mrs. Natvig, he says, is completely "incredible." He will disregard her testimony altogether. He probably will disregard Watson's too, he says, not because he is "incredible" but purely because he switched his story.

In any case, a grand jury will examine Mrs. Natvig's stories next week.

And yesterday, the Justice Department said it plans to review Watson's testimony.

Detroit Realtor Hopes To Buy Terminal Tower

CLEVELAND (AP)—A Detroit realtor, Roger L. Stevens, has offered to purchase the 52-story Terminal Tower from the Sixty Trust of Boston which bought it in 1950. Ralph H. Sharpe, president of the Terminal Tower Co., said the offer, amount of which was not disclosed, will be submitted soon to some 800 stockholders. The Terminal Tower, built on Public Square in 1930 by the Van Sweringen Co., is the tallest building in the United States outside of New York City.

Deputy Clerk On Crawford Board Resigns

BUCYRUS—The Crawford County Board of Elections has accepted the resignation of John A. Messerschmidt, Bucyrus Democrat, as deputy clerk, effective March 1, L. T. Kinnett, Bucyrus, board chairman, announced here today.

Messerschmidt, who has held the post since January, 1951, submitted his resignation because he is out of the city during the week, having been tranferred by his employer, the New York Central Railroad, to Marysville, where he is employed as a clerk.

Messerschmidt succeeded E C Oppenlander, present city auditor of Bucyrus, as deputy clerk. His present term expires Feb 28, 1956.

Kinnett said a successor will be named in the near future. The post pays $75 a month. W. F Harter, a Bucyrus Republican is clerk of the board.

The elections board also awarded the contract for printing 2,050 Democratic and 1,175 Republican ballots for the May 3 primary in Bucyrus to the Herald Printing Co., New Washington, on its bid of $116. Only other bidder was Echelberger Printing Co., Bucyrus. Its bid was $125.

The Johnson-Watson Printing Co of Dayton was awarded the contract for furnishing election supplies for the county's 61 precincts on its bid of $16.55 a kit. Kits for the May primary will cost $248 and those for the November election will cost $1,009. The Heer Printing Co. bid $17.60 a set and the Columbus Blank Book Co., Columbus, $17.80.

Portage County Awarded $28,706 in Damage Suit

CLEVELAND (AP) — A Portage County suit for $850,000 damages from the U. S government for property taken over in 1941 by the Ravenna Arsenal was ended yesterday with a federal jury award of $28,706.

In a three-day trial the Portage officials sought reimbursement to the county for 43 miles of roads, 21 bridges and 155 culverts in the 170-acre arsenal site.

The federal government knocked out the bulk of the damage claims with arguments that once surrounding lands were seized for the arsenal, the roads, bridges and culverts were of no value to the county.

The jury's award will repay the county for building two small new stretches of roadway and provide $21,000 for repairs to a bridge that now carries more traffic. A claim for $54,000 to build another new stretch of road was rejected by the jury.

Court Requested To End Practice of Clinic in Cleveland

CLEVELAND (AP)—Does Ohio law permit a clinic or similar nonprofit corporation to hire a physician on salary and then sell his services to the public?

Seven doctors who are members of the Professional Services Committee of the Cleveland Academy of Medicine have asked Common Pleas Court here for an injunction to prevent Hopkins Clinic from "practicing medicine or surgery for the public with a staff of salaried doctors."

Yesterday Hopkins Clinic fired back a counter-charge that the seven doctors are conspiring to restrict trade, raise and control prices, stop competition and build a monopoly of medical services. The Ohio State Medical Assn. and the American Medical Assn. have combined with the seven in conspiring to enforce a monopoly, Hopkins Clinic charged.

In other parts of its answer to the injunction plea by the seven doctors, the clinic:

1. Denied it practices medicine as a corporation and said it simply provides facilities for its doctor employees to practice.

2. Pointed out it has been operating for 25 years and has lived up to its nonprofit corporation charter.

3. Claimed that many other nonprofit corporations have been furnishing medical and surgical treatment in the same way that Hopkins Clinic does.

The seven doctor plaintiffs are Dr R. J. Whitacre former president of the American Society of Anesthesiologists, Dr. C. R. Jablonoski, who operates a clinic (nonprofit) about 10 blocks from the Hopkins Clinic, Dr. D. D Brannan, head radiologist at St Luke's Hospital; Dr. Henry W. Brown; Dr David A Chambers, Dr. Howard P. Taylor and Dr. Harold C. Wise.

Burke To File Statement On Campaign Expenses

CLEVELAND (AP)—Joseph P. Sullivan, campaign manager for Thomas A. Burke in his unsuccessful campaign against Sen. George Bender (R-Ohio) last fall, says Burke will file a full report on campaign expenditures of $65,000 to $75,000 early next week. Burke was listed among unsuccessful congressional candidates who failed to file expense statements. Sullivan said refunds from a vote recount asked by Burke were not returned by county election boards until late in January.

Man Admits Stabbing; Had 'Impulse' To Do It

CANTON, Ohio (AP) — John D. Blythe, an airman stationed at Canton, pleaded guilty yesterday when charged with stabbing with intent to kill, Mrs. Mariam Lewis, 27, picked him out of a police lineup, Detective Capt. Frank J Burnosky said. Mrs. Lewis was wounded Jan 3 by a man who walked into her unlocked home while she was bathing her baby son. Blythe, 24, was quoted by police as saying, "I just had an impulse to stab someone."

PEEBLES MAN CONVICTED

WEST UNION, Ohio (AP)—Donald Burns, 26, of Peebles, Ohio, was convicted yesterday of assault and battery by a Common Pleas Court jury. Burns was indicted for manslaughter in the death of Earl Barney, 28, Peebles.

Confident Living

By NORMAN VINCENT PEALE

Your Key to Self-Confidence

When a man named Walter Davis was eight years old, he was stricken with a severe attack of infantile paralysis. It was said that he would never walk again.

DR. PEALE

But a minister from his church came to see him and prayed with him. Then he looked the stricken little boy squarely in the eye and said, "You just believe, son, and you will walk again."

The boy's mother stressed the same idea of faith, and lovingly she worked over his poor little weakened legs until he got so he could walk and even so he could run. One day, on an athletic field, he saw a man high-jumping. The boy had grown to be over six feet tall and he thought this was a sport he would like to try. He did try it and found that he could do quite well at it. He decided then that he would become the best high-jumper in the world. What wonders the divine audacity of faith works in our lives.

But his legs were still weak and he had to keep working on them. When he married, his wife watched him work on his legs and thought deeply about it. One day she said to him: "Honey, you will have to get a power somewhere else than in those legs of yours. You must have power in your mind, too." Then she coined a wonderful phrase: "You need the strength of belief. If you get the strength of belief into your mind and heart, you will get the power you need in your legs."

—:—

WALTER DAVIS put his wife's idea into practice and it eventually brought him into the Olympic Games, and later to a great record. In a championship field meet he had cleared the bar at six feet eleven and then at six eleven and a half. Then they put it up to six eleven and five-eighths. He shook the bar down the first time; he shook it down a second time.

Then he lay on the ground to rest and said to himself, "The strength of belief." He painted a mental picture of himself, clearing that bar, "propelled," he said, "by the power of God." Then, before a hushed stadium, he got up, jumped and cleared it at six eleven and five-eighths! The boy they said might never walk again was champion high-jumper of the world.

He began to turn somersaults of delight. And then, ending one somersault on his knees, there before that crowded stadium he thanked God for his victory.

—:—

"THE STRENGTH of belief" is a wonderful idea and it has motivated not only athletes but people in all endeavors and in all walks of life. It is your key to the self-confidence that each of us needs if we are to meet the difficulties, obstacles and opposition we face in everyday life gallantly and successfully.

There is a text in the Bible which seems to me to be fundamental in attaining self-confidence. I believe that it is so powerful that if you drive it deep into your conscious mind until it sinks into the unconscious and takes possession of you, you can change your life entirely. You will find it in Paul's letter to the Romans: "If God be for us, who can be against us?"

Personalize those words so that they apply directly to you: "If God be for me, what can be against me?" Then bring into your mind a picture of all the things you think are against you. Now bring God into your mind to face these obstacles. How can any of them stand against God? Practice "the strength of belief." Really believe, "If God be for me, what can be against me?" You cannot possibly be faint-hearted or afraid, because you will have found the key to self-confidence.

Thank you, God, for my baby . . . and help me to be worthy of him. He is such a blessed little bit of humanity . . . so innocent . . . untouched by the many evils of the world.

There is so much to teach him, and You have chosen me to be his teacher. You have placed a soul in my clumsy hands, and I am humble before your gift.

How well I realize that in my wonderful task I need the help of the greatest Teacher . . . Your help. My constant prayer will be for guidance . . . so that I may teach my son what is right . . . so that I may set his tiny feet in the right direction on the path of life, and guide his dear little mind into the right channels.

And when the time comes, my son will go to Church . . . because the Church is Your home on earth, and there in Your presence all that I have tried to show him will have true meaning to him, and he will believe.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Service Set in Crestline

CRESTLINE — The Forty Hours Devotion will be held at St. Joseph's Catholic Church in conjunction with the 9:30 a.m. Mass Sunday. The three-day observance is an annual event, in all Catholic churches, at various times, making it a continuous service around the globe. The services will be conducted here by a missionary from Sacred Heart Seminary, Shelby Settlement, assisted by the pastor, Rev. J. B. Fralich. Masses on Monday and Tuesday will be at 5:30 and 8:15 a.m. with Holy Communion at 7 and 7:30 a.m. Sunday, Monday and Tuesday.

Mattress Catches Fire, Man Treated for Burns

A loss estimated at $75 to $100 was reported by Fire Chief O. A. Sifritt from a fire at the Charles Williams home, 266 Senate St., at 6:34 a.m. today.

The fire started when Claude Bates, 33, a roomer in the Williams home, was smoking in bed, Chief Sifritt said. The fire burned the mattress and other bedding.

Bates, who received first degree burns on the legs and feet, was taken by firemen to Marion General Hospital, where he was treated and released.

DRIVER ARRESTED

A Marion County man was arrested early today by city police and charged with drunken driving.

Hayden M. Stewart, 39, of near Marion was arrested at 1:47 a.m. on N. Main St. He is to appear in Municipal Court later for a hearon the charge.

Greenwood Services Set

Rev. W. Bruce Harris

Rev. Paul McDowell

Special evangelistic services at Greenwood EUB Church with Rev. Paul McDowell as the preacher and Rev. W. Bruce Harris as song leader will open Tuesday night. The former, originally from Wilmore, Ky., is a graduate of Asbury College there and is an approved evangelist of the Ohio Sandusky conference of the denomination. He has preached in community crusades in Canada and in Hawaii besides in this country.

Rev. Harris, son of the Greenwood Church pastor, Rev. Lynn Harris, is pastor of the North Robinson EUB Church. Besides leading congregational singing he will present vocal solos. He has appeared at Youth for Christ meetings a number of times in cities of the Midwest. The nightly services, except Saturday, will be at 7:30.

Tomorrow night at 6:30 the Greenwood Youth Fellowship topic will be "Their Future Is Important."

Mrs. L. D. Rhoads Named Head Of Marion's Council of PTA's

Officers headed by Mrs. L. D. Rhoads as president were elected at a combined business and program meeting of the Marion City Council of Parents and Teachers Thursday night at Harding High School.

Speaker for the program was Mrs. Marjorie Sechrist, probational counselor in the Marion County Juvenile Court. She used as her subject, "The Strict Parent vs. the Lenient Parent."

Serving with Mrs. Rhoads will be Mrs. W. O. Dudley, first vice president; Mrs. W. J. Frost, second vice president; Mrs. Don B. Hunter, recording secretary; Mrs. Charles Kinney, corresponding secretary; and Melvin Bernow, treasurer.

Tentative plans were discussed for the annual installation dinner to be held April 28.

It was announced that Mrs. Hunter will represent the Marion Council at a legislation conference in Columbus on March 8 and 9. Also attending from Marion will be Mrs. John Rinnert, central district director, and Mrs. Smith Witter, state treasurer.

Further arrangements were discussed by Mrs. Rinnert for the 10-county spring conference scheduled for March 2 in Marion.

Floyd Hofacker, reporting for the PTA welfare committee, told members that a committee of social agencies were working together on a project whereby their efforts could be combined to take care of the shoe and clothing needs of needy persons in Marion, and that this committee is looking for a location for this clothing center. All PTA welfare chairmen were asked to issue a call for boots, shoes and outgrown clothing in their school districts.

The Council commended D. L. Everly for "the excellent job he has done on the school safety patrol program" in Marion.

Refreshments were served by the Council's social committee assisted by the Edison Junior High School PTA.

Marion Man Sentenced On Non-Support Charge

A Marion man who pleaded guilty to a charge of non-support at a hearing in Marion Municipal Court Friday was sentenced to six months in the workhouse and ordered to pay court costs of $17.80 by Judge W. Dexter Hazen.

Rodney Boggs of 1047 W. Center St. was accused of failing to provide for the support of his two minor children, one and two years old, in an affidavit signed by his wife.

YOUTH RALLY OPENS

An interdenominational youth rally opened at the Shiloh Church southeast of Green Camp last night will continue tonight and tomorrow. Rev. Lesley Brush of Mount Gilead is the speaker. Evening services are at 7:30, and tomorrow at 2:30 p.m. a song fest will be featured. The meetings are open to the public, Rev. Robert Long, pastor, announced.

Polio Vaccine Plan Slated in Morrow

MOUNT GILEAD — Morrow County Health Department officials said today that if the Salk polio vaccine becomes available, students in the first two grades of school throughout the county will receive the vaccine free of charge.

If the Salk vaccine, now being evaluated, proves effective in preventing paralytic polio and is licensed, it will be given here under the direction of Dr. Robert Vogel, county health officer, with the aid and cooperation of local physicians, school authorities and volunteers. Children in the first two grades would receive it upon request of their parents, Harold McCamman, chairman of the Morrow County Chapter of the National Foundation for Infantile Paralysis, said.

Full cooperation of the county chapter was offered this week in support of the prospective polio vaccine program.

McCamman said vaccine for other children may soon be purchased commercially by parents through their local physicians.

Trucks Collide At Intersection

No One Injured in Crash at 23 and 4

One accident was investigated in Marion County Friday by state highway patrolmen. Police reported no accidents in the city.

No one was injured when a semi - truck, driven by Wilfred Quick, 25, of Grand Rapids, Mich., collided with a small truck driven by Carl Murray, 20, of 575 Sugar St., at 8:20 a.m. at the intersection of Routes 23 and 4 north of Marion. Both vehicles were northbound.

Quick told patrolmen that he thought Murray was going to proceed north on Route 23 when he saw him signal a left turn. Murray turned left into a driveway. The left door and fender of the small truck and the right front of the semi-truck were damaged.

Pranksters Move City Traffic Sign

A Marion man walked out the front door of his home this morning and was ordered to come to a "Full Stop" in no uncertain terms.

Sometime during the night, pranksters had removed one of the large red and white stop signs from some street intersection in the city and deposited it on the lawn at the home of C. F. Jenkins at 531 Bellefontaine Ave.

In addition, the pranksters had also deposited a smaller sign apparently removed from somehomeowners front lawn which contained the numbers 480.

Jenkins turned the signs over to city police for return to their proper location.

Police point out that removal of the stop sign not only creates a traffic hazard at some intersection, but is also illegal and is punishable under the law.

Crestline Junior Class To Stage Play Tuesday

CRESTLINE — "Turn Back the Clock" is the title of the junior class play of Crestline high School to be presented in the high school auditorium Tuesday night under the supervision of Miss Miriam Reynolds.

Those in the cast are: Susan Enoch, Sandra Clutter, Sally Exenkamper, Ruth Ann Hensley, Portia Krofta, Karen Fulton, Marilyn Armstrong, Ruth Ann Horning, Roger Pry, Ted Sawyer, Larry Palmer, Robert Roberts, Dale Biglin and Ralph Scully.

A bottle of heavily salted water carried in the car glove compartment supplies an economical means of de-icing windshields quickly.

VA Home Loan Change Aimed To End Delay

WASHINGTON (AP)—The Veterans Administration said today it will refer to private lending groups all applications for direct VA home loans.

The new procedure, it said, is aimed at improving the chances of veterans in smaller communities and rural areas to obtain mortgage financing at 4½ per cent interest without long waiting periods.

It said the change will give 20,000 veterans now on the waiting list for direct loans a chance to file applications immediately. The applications will be referred to Voluntary Home Mortgage Credit Program (VHMCP) regional committees, which will seek to provide private financing.

VA said it will continue to make direct home and farmhouse loans within available funds in those cases where the committees are unsuccessful.

A VA spokesman said that as of Jan. 1 there were waiting lists for direct home loans at 44 of its 57 regional offices which have direct loan areas under their jurisdiction.

There are now 13 operating VHMCP regional committee offices covering 38 states. Offices soon are to be opened in Cleveland to cover the State of Ohio.

VA said it has closed 57,000 direct loans totaling 399 million dollars in the five-year-old program. Funds totaling about 73 million dollars have been reserved for another 9,200 veterans. About 98 million dollars will be available for direct loans during the first six months of 1955.

It's Up to the Senate

President Eisenhower's only hope now of avoiding a $20 a person cut in individual income taxes rests with the Senate.

When the House passed the measure Friday by a margin of five votes, the President faced the alternative of engineering its defeat in the upper house or dealing it a virtual death blow by veto.

But the veto is a device he cannot afford to use in this case because the House-approved measure is a package bill which also includes provisions to extend excise taxes at present rates and to postpone for a year a scheduled reduction in the corporation income tax rate from 52 per cent to 47 per cent.

Thus, a veto would save the Treasury an estimated $2,200,000,000 in individual income taxes but it would lose the amount involved in a reduction of excise and corporation taxes.

Even the House Democrats confess to the political motive behind the cut in individual income taxes, but it may take the efforts of some leading southern Democrats in the Senate to save the party from the stigma that would almost certainly result from its enactment.

Sen. Byrd will lead the fight against the $20 feature and it is quite likely that his influence among key Democrats, together with almost solid support from the Republicans, will be enough to save the situation for the President.

There is nothing financially sound about the House bill. As a matter of fact, it won the votes of those same Democrats who yapped the loudest about the reduction in military personnel and are now begging for more funds for public housing, not to mention sundry other money spending extravagances.

There is no doubt that every American Joe who digs deep to pay his taxes should be given some relief just as promptly as it is economically feasible to do so.

But to attempt such a piecemeal, hodgepodge, politically - inspired reduction as the House bill provides is as irresponsible as the method is reprehensible.

The Highway Patrol

The size of the Ohio State Highway Patrol will be a subject for discussion and possible action if House Bill 150 reaches the floor of the General Assembly.

The bill provides for an additional 200 men to meet the need for expanded service as Ohio traffic and law enforcement problems continue to grow with the increase in population, number of automobiles on our highways and miles traveled.

This increase does not take into consideration the possibility that the patrol will be required to police the new Ohio Turnpike, which the attorney general has advised is a patrol responsibility, nor does it contemplate supervision of compulsory auto inspection if such a law should be passed by the Assembly.

The patrol in 1951 laid the groundwork for a long-range program adaptable to the growing needs of the state. This program is well under way and will continue smoothly if the authorized strength of the patrol, which now stands at 650 men, is raised to meet the constantly increasing demand for its services.

Currently, there are district patrol headquarters in nine counties. Patrol posts are established in 45 other counties, but 34 counties have no posts at all and are covered only from other points.

Evidence that the patrol can meet its increased responsibilities as more patrolmen are added can be seen by accomplishments since 1951. Arrests, warnings and detection of overloaded trucks have increased sharply in the last three years while traffic casualties showed a decrease.

Ohio compares unfavorably with many other states in patrol manpower. For example, Pennsylvania has 226 patrolmen for each one billion miles of travel, California has 97, New York 90 and Ohio only 63.

No one who is intelligently acquainted with the work of the patrol can deny its efficiency. It has done a magnificent job. It has not created a police state, as some critics had warned, but has gone about its work energetically, scientifically and coureously.

If the kind of service we expect is to be maintained, the state must continue to give attention to expansion of the highway patrol.

Morse, the Dissenter

Sen. Wayne Morse of Oregon is making a strong bid for the title of "Great Dissenter."

Two late justices of the United States Supreme Court, Oliver Wendell Holmes and Louis D. Brandeis, became famous for their dissents.

We doubt that Sen. Morse will ever become famous for his, but we could be wrong. He has numbers running on his side.

He has raised his voice (sometimes loud but always long) against tidelands oil for the states, the Dixon-Yates power contract, the decision to defend Formosa and the proposed increase in congressional salaries, to mention only a few of his more recent dissents.

He rejected Eisenhower after being one of his original backers, and bolted the Republican party to become an Independent and then a Democrat.

The senator, of course, could be right. But if he is, a great many more people will be wrong.

Oregon may have an opinion on that come 1956.

Religion In and On the Job

Working for Perfection?

By EUGENE CARR

Every job has its difficulties, problems, troubles.

Some of us have zest for our jobs, others resent their work. Why do some start the day with enthusiasm and others drag themselves out of bed and off to work with little or no appetite for it?

Why will one worker take in his stride the difficulties of a troublesome situation and another go into a tailspin over the very same situation?

The answer does not lie in the type of job or the pay or conditions of work. It has nothing to do with authority or position or prestige.

There are problems and difficulties in "big" jobs and "little" jobs. Trouble descends regularly on boss and apprentice alike. Disappointments hit high salary earners and low salary earners with equal force.

—:—

THE ANSWER lies with the individual. What is his true objective? What is his ultimate purpose?

If one plunges ahead, thinking only of self, he is asking for trouble. If he concentrates on personal gain, he is headed for difficulty. If his interest is strictly selfish he will be plagued by disappointments he cannot understand or rationalize. Bitterness and frustration will be his reward.

On the other hand, if an individual goes about his job thinking what it means to others for whom he is responsible, if he directs his effort toward cooperation and team play with no thought of credit for himself, if he tries to make his work and the work of fellow employes more effective, his motive is stronger than any problem he encounters, his objective overrides trouble and difficulty, and his ultimate purpose absorbs the shock of disappointment.

Jobs don't take on purposes and objectives until someone goes to work on them with a purpose in mind and an objective to reach. Jobs don't solve problems or meet disappointments head-on. People solve problems and meet disappointments, that is, either they do or they don't.

—:—

WHEN A WORKER learns the secret of bringing simple religion into his daily occupation, he connects up the greatest power supply he could possibly tap. He takes on confidence in difficult situations. He has more wisdom in the solution of problems. He has added courage in dealing with trouble.

When a worker learns to apply precepts of decency and faith, he gains confidence, wisdom, courage and strength. He finds times of despair less despairing, he finds times of triumph more triumphant. For the worker who really believes that God is his greatest source of power on the job, it means happiness and success.

Until a worker learns this secret, he remains cut off from the most influential force in the life of mankind, no matter how self-sufficient he might think himself to be.

Bringing God into the work day is the difference.

Marion County History Brevities

By EDNA S. DUTTON

Waverly sandstone was quarried in Marion County to a limited extent in the 1880's.

At Prospect the contents of a gravel bank were noticed to contain a great many large fragments from the water limestone, so arranged as to indicate not only the agency of water in rapid currents but the direction of its flow.

Some of the pieces of limestone were as much as two feet across, but usually not over two inches in thickness and were slightly waterworn. They lay in the midst of gravel which had a stratification dipping rapidly toward the south.

Yardsticks of Light

By THOMAS R. HENRY

Length measurements with an accuracy of a tenth of a millionth of an inch have been brought in sight for American industry.

At present, an accuracy of a millionth of an inch is about the best that can be provided for general use of engineers, although it is possible to do much better in physical laboratories.

The new standard has been made possible through adoption as a basic measuring rod a single wavelength of green light emitted by a new type of mercury, obtained by atomic transmutation of gold. This standard has been developed over the past few years by United States Bureau of Standards physicists and is approaching the point where it may be made official.

The present official world length standard is a metal bar one meter long which is kept at the International Bureau of Weights and Measures in Paris. The U.S. keeps a precise prototype in an underground, temperature-regulated vault in Washington.

From year to year the bar does not vary in length by the minutest fraction. By applying special techniques it is possible, with this standard, to measure with an accuracy of a millionth of an inch, although accuracy of five parts in a million generally is considered good enough for most industrial purposes.

The new wavelength standard, however, will make possible much more precise measurements and has the additional advantage of being indestructible. The standard meter bar could easily be destroyed in a world cataclysm.

The wavelengths of all sorts of visible light are known with great precision. The trouble in the past has been that every light source emitted radiation in several wavelengths, all mixed together, as that isolating a single one involved great technical difficulties and highly complicated apparatus.

Practically alone of all objects in nature, this single isotope of mercury, when made luminous, produces light of a single wavelength, a minute fraction of a millimeter, with which the trained physicist can work without difficulty.

During the past decade, Bureau of Standards physicists say, demands of industry have increased for more and more precise measurements and machine parts with an allowable error of much less than a ten-millionth of an inch may be developed in the next few years.

Taxless Pay Check

BATON ROUGE, La. (AP) — Forty-two years ago C. J. Smith, now a Baton Rouge oil refinery employe, worked for one day as a fireman on a Kansas City Southern Railway Co. locomotive at Shreveport, La. and didn't get paid.

Recently he wrote the company about it and soon received a check for $2.90 — with "no deductions."

"I just wanted to see what would happen," Smith explained before turning the money over to charity.

Soviet Shifts Lessen Danger of War

By Alexander Kerensky

There are today three living ex-premiers of Russia — Georgi Malenkov, Vyacheslav Molotov and Alexander Kerensky. Kerensky headed the Democratic government that collapsed under Bolshevik blows in 1917. In exile 37 years, he "has lived psychologically in Russia every day." From the vast mass of information on the Soviet Union that flows to him he has extracted what he believes, after much consideration, are the most important aspects of the recent dramatic changes in the Soviet government, and presents them here in an analysis of events inside Russia.

Now that the dust raised by the sudden changes in the Soviet government earlier this month is beginning to settle, their significance to the world is beginning to emerge. Close study of all the information available to me indicates three main factors:

1. The rise of Nikita Khruschchev, Marshal Nikolia Bulganin and Marshal Georgi Zhukov to power has lessened the danger of war between the Soviet Union and the West.

2. The Soviet ruling group is badly split by basic differences over policy.

3. Foreign Minister Vyacheslav Molotov, last important representative of the old Bolsheviks, is more dangerous than Khruschev or Bulganin and has more power than is generally realized in the West.

Whatever personal conflict there may be among the Soviet rulers is of decidedly secondary importance.

The real question involves the most basic questions of fundamental Communist ideology. It is this: Why is the monolithic dictatorship that Stalin built up over a 3-year period now so unstable. The new combination of Khrushchev, Bulganin and Zhukov is a priory more unstable than the regime of Malenkov.

Something under the surface has happened to cause the visible changes. This cause is of great importance to the world and could be exploited to the detriment of the Communist dictatorship, if it is fully understood by the West.

-:-

THE CAUSE WAS indicated by Molotov's major foreign policy address that was coupled with the dramatic shift in government. The foreign minister declared before an extraordinary session of the Supreme Soviet that the world is split into two evenly balanced power blocs and that the struggle between them is now entering its final phase. The Communists, he said, expect the struggle to be long and stubborn and preparations for fighting it must take precedence over all other considerations.

These beliefs were originally spelled out as the doctrine of the world proletariat revolution by Lenin in 190 and 1921 and were accepted by the second and third Comintern Congresses in the same years. The essence of the doctrine is that the world revolution will be carried out through indirect approach and not by direct warfare against the capitalist countries.

Since Molotov today is continuing to follow Lenin's line, I believe, unlike most Western observers, that the change in the government of the U.S.S.R. do not mean increased danger of war with Russia. To the contrary, it is clear from his speech that Molotov plans, as did Lenin and Stalin, to indirectly bring down the capitalist countries by fomenting revolutions in Asia and colonial territories. Lenin believed the capitalist West would be at a great disadvantage when surrounded by "socialist' 'states and would then collapse of its own internal contradictions.

An important fact overlooked by Western observers is that Molotov apparently has enough power to push these ideas forward against the opposition of the younger men in the government.

It is highly significant that by far the most important speech made in the period of the government shifts was delivered by Molotov, who, as foreign minister, is nominally a lesser figure than Khrushchev, the secretary of the Communist party and Bulganin, the premier. As the changes were announced, Khrushchev merely nominated the premier and later made a speech on livestock raising. Bulganin discussed industry, agriculture and ties to Red China.

-:-

MOLOTOV'S PRESENTATION of the biggest policy declaration indicates either that Khrushchev and Bulganin disagreed with its thesis and would not deliver it, or that Khrushchev is not the powerful figure the West believes him to be.

Khrushchev, Malenkov and Zhukov are of the new, younger technical and military intelligensia now coming to the fore with the disappearance of the old Bolsheviks. In contrast to Molotov — the last old Bolshevik in a top - level post — they appear to be more interested in the welfare of the Soviet state as a national entity than in the furtherance of the world revolution. The younger men, like the mass of the population of the Soviet Union, are far less interested in communizing India, for instance, for the glorification of Communist ideals than they are in advancing the interests of the motherland. Under pressure from the mass of the people, the split in the ruling group has become larger and larger, resulting in the present instability of the dictatorship.

Lenin's policy of world revolution through indirect approach, as carried out by Stalin and Molotov, has had brilliant results since the end of World War II.

These results have produced two negative effects which demonstrate that pursuit of world revolution is dangerous to the welfare of the Soviet state — as distinct from the international Communist movement. These effects are the current disorganization of the ruling group, the disruption of the Soviet economy, and increased danger of direct war with the West.

The Army, newly risen to prominence, does not favor the world revoltion doctrine, feeling it may provoke the West. The general staff, better than any other branch of the government, knows best the strengths and weaknesses of Soviet power.

-:-

THE GENERALS, being concerned with the morale of their troops — drawn from factories and farms — are probably in closer touch with the mood of the people than the politicians and are aware that an aggressive war would not be popular.

The Soviet Union, in the light of the world revolution doctrine, is merely a tool or weapon for the revolution's achievement — as was recognized by Secretary Dulles in his address Feb. 16 before the Foreign Policy Association. Thus, the goal of world revolution dictated Stalin's policy of forced industrialization, which strained the country's resources. The forced collectivization of farms for the same purpose disrupted agriculture—the real basis of the Soviet economy.

The world revolution policy has created Communist China, whose dynamic leaders, by their provocation of the West, create a further danger that the Soviet Union will be drawn unprepared into a war it did not desire. The Chinese Communist leaders, it is evident, do not fully grasp the essence of the policy of indirect approach to the world revolution. They could wreck the plan — and the Soviet state. The younger men in Moscow and the Soviet army today do not want to bear responsibility for the consequences of Mao Tse-tung's aggressive designs on Southeast Asia.

The increased emphasis on heavy industry that was announced simultaneously with the changes in personnel does not necessarily mean the Soviet Union is preparing an aggressive war Western military budgets are extremely high, and, since the democracies are arming through fear of attack by Russia, so the Soviet emphasis on military preparedness also probably reflects fear of attack.

It is also a fact that increased agricultural production requires more heavy industry for tractors and similar items. Khrushchev, promoter of agricultural expansion, and Zhukov, promoter of defense policies, are therefore on the same side of the fence for different reasons.

-:-

THE NEW RULING group cannot liquidate Molotov, for he has great personal prestige in the country as the bearer of the old traditions. He also carries great weight in the presidium of the Central Committee of the party — the policy - making successor to the old Politburo. He is Russia's greatest expert on international affairs and is invaluble as a negotiator. It is probably that the conflict between Molotov's views and those of the younger men have created a major split in the party presidium.

Malenkov was very likely removed because he was not strong enough to rule in the present critical period. Also, his enthusiasm for increased consumer production may have caused heavy industry to be neglected. The former premier, being one of the younger intelligentsia, however, puts the Soviet State before world revolution and thus fundamentally agrees with Khrushchev and Zhukov. Therefore, there was no need to liquidate him.

The internal struggle between those who wish to promote the interests of the Soviet Union and those who favor world revolution is now approaching its decisive phase. The Soviet ruling group is in a period of transformation that will last until one or the other of the major tendencies finally wins controlling power and eliminates the other. Though they may not come in the immediate future, more changes are inevitable.

The Once Over

By H. I. Phillips

The Midget Situation

With the Fulbright Wall Street quiz show dead ahead, we have been looking into the midget situation. . .In the last big probe of that nature J. P. Morgan, the elder, appeared with a midget on his lap, and while there are assurances this will be a non-midget performance from start to finish, we have our suspicions. . .Talking with a lot of midgets, we have found quite a few get them a spot in the show, and these agents are pretty persistent persons. "I have been offered a billing on the lap of A. Keith Funston, N. Y. Stock Exchange head, and first witnesses," said a well-known Tom Thumb today, "but I am holding out for Ben Fairless or Harlowe Curtice.

—:—

"Mr. Fairless as a towering steel magnate is more in the Morgan mold," he explained. "But I would settle for Curtice who is a colorful figure in industry. Of course the best lap in this probe will be Bernard Baruch's. He appears on the last day of the inquiry according to the agenda. They are obviously saving him for the varsity."

—:—

"Have you applied for Baruch's lap?" we asked.

"No use. There's a list of applicants a mile long. Mr. Baruch's lap is even more famous than the late Mr. Morgan's. Any midget would give anything to get onto it. Bernard is a real personality and a great showman. He has wit and sparkle, but he doesn't need midgets."

"Why not?" we asked.

"Because in most hearings he makes adults seem midgets by comparison."

"Do you think that midgets can contribute anything to the inquiry?"

"Yes. This is an entertainment age. They should start this show with either midgets, acrobats or Indian club swingers. Bear in mind that a midget is a good judge of stock market moves. He is always closer to ground-floor information, and he has one terrific advantage."

"What's that?" we asked.

"Being so close to the floor, a midget does not hear all those tips as clearly as does a normal man with his ears up around six feet from the ground level. Midgets miss thousands of opinions which float about the stock exchange and brokerage offices, and this is a great help," he concluded.

Anne Corio, famed strip-tease dancer, says she can't possibly understand why her phone was tapped. (Aw shucks, Miss Corio; somebody wanted to find out what was coming off next.) It is estimated that eight million Americans have stocks in American industries. . .That's a lot of people to be grabbing for the financial news every night and exclaiming, "What! No split-up today?"

New Jersey has installed automatic slot-machine coin collectors at highway toll stations. . .Since Americans have become a coin-in-slot people, the idea will be taken in stride, but we think that at all toll gates these slot machines should give the weary motorist a sandwich or a cool drink. . .We would even popularize the coin-slot toll station by giving every passing autoist a numbered slip of paper for a drawing in which some lucky guy would win a trip to Europe, a TV set and a year's supply of high test gas.

Past presidents and principals were honored at Founders Night, celebrated Thursday night by members of the N. Main St. School Parent-Teachers Association.

Each former principal and PTA head was presented a flower and special program book.

Rev. Floyd E. Kline, pastor of Forest Lawn Presbyterian Church opened the meeting with devotions. Robert S. Brown, superintendent of city schools, spoke on "National, State and City School Expansion."

Election of officers was held and the following were chosen: Walter Osmun, president; Milton Weston, first vice president; Melvin Bernow, second vice president; Mrs. Harold Carpenter, secretary; Mrs. Cline Vance, treasurer; Mrs. Ralph Kemp, Council representative; and Mrs. Paul DeWitt, alternate Council representative.

The members voted to hold a baked goods sale at the Montgomery Ward Store March 26. The attendance award for the last year went to Mrs. Dorothy McClellan, fifth grade teacher. Mrs. Francis Walters and Mrs. Donald Ganson were in charge of a social hour after the business meeting. Special music was supplied by Larry and Philip Walters and Margaret Ann Romine, students of Taft Junior High School.

Costa Rica started coffee production in the 1820s and coffee still is the country's chief export.

Newcomers Prepare for Performance

Rehearsals are under way for the "Cracker Barrel Capers," to be presented March 8 under the sponsorship of the Welcome Wagon Newcomers Club. The show will be given in the Thomas A. Edison Junior High School Auditorium. A rehearsal is scheduled for tonight in the community rooms of the West Town Branch Bank and the dress rehearsal will be held Sunday, March 6, at the school.

The script is by Mrs. Chester Campbell who also is directing the cast of approximately 50 performers. Songs, dances and skits will be presented in what promises to be entertainment for the whole family.

Making up the committee are Mrs. Glen Fish, Welcome Wagon hostess; Mrs. Stanton Jordon, president of the club; Mrs. C. M. Stubbs, tickets; Mrs. Donald Tarvin, assistant ticket chairman; Mrs. Max Haines, stage properties; Mrs. Charles Jordon, makeup; Mrs. Lawrence Rigby, publicity; Mrs. Clifford Boettcher, dance arranger.

Plans for the event were furthered when the committee met Tuesday at the home of Mrs. Richard Cage, 625 S. Prospect St., chairman for the show. The committee will appear on the Sally Flowers TV show Thursday, March 3.

Persons at 65 Receive Rough Deal in Society

CARBONDALE, Ill (UP)—Our society "pulls the ladder of life" from under persons reaching 65 years of age, according to a Southern Illinois University sociologist.

J. S. McCrary, who has done much research into problems of old age, said our society forces loneliness on our older citizens. He added that even young persons become lonely when made to feel society is merely tolerating their presence.

"At the age of 65" McCrary noted, "society arbitrarily strips a man of the status he has spent his life gaining.

"It pulls out the ladder of life from beneath a man, causing him to lose his work, a large part of his income, and most of his useful activity.

"He can only feel that society is finished with him."

McCrary said older women usually are hardest hit by loneliness because "rejected by society, most of them also live out their lives mateless."

The SIU sociologist pointed out that most men at least have their wives to take care of them after retirement, but only 16 per cent of women over 75 years of age have husbands. Nearly 50 per cent of men that age have wives.

McCrary said the situation often forces the aged into a "psychological corner" where the older person nurses a feeling of isolation and often into a fantasy world of the happy past or becomes overly concerned with bodily ailments.

McCrary believes society is hurting itself by this attitude toward the older citizens. He warned that "privately or through government agencies we are supporting thousands of persons who are quite capable of supporting themselves."

The sociologist admitted that the solution of the old-age problem is not simple and "we must explore new ways of fitting old people into our society so they can play useful and satisfying roles until the very end of their days.

Harding Group To Visit Convention at Columbus

Several members of the distributive education class of Harding High School are planning to attend the annual state convention Sunday and Monday in Columbus at the Southern Hotel.

Students will participate in contests on window display, merchandist manual, textile identfcation, speech, essay writing, ad planning, and job application.

Planning to attend are Phyllis Ware, Shirley Rinderle, Shirley Gholson, Pat Redmon, Roxie Whittington and Mrs. Colleen Burns, coordinator.

To prevent freezing of concrete during winter construction of tall industrial chimneys, M. W Kellogg Co. wraps the whole job in king-sized electric blankets.

WINS SCHOLARSHIP. Scientific curiosity about coal has paid off for Carol Irene Hawkins, 17, of South Charleston, W. Va., who has been awarded a scholarship in a science talent search. She is a high school senior.

Lodge Activities

Members of Pride of 35, Lodge No. 79, Ladies Auxiliary to the Brotherhood of Railroad Trainmen, voted to join other groups in protesting House Bill No. 6, the proposed conveyor belt, in their meeting Tuesday night in the Central Labor Union Hall. The charter was draped for Mrs. Mary Miller whose death occurred recently. Plans were made for a rummage sale March 9 and 10.

Later the members were joined by their families and friends for an evening of cards. Prizes were won by Mrs. Algie Diehl, Mrs. Lucille Drake, Howard Johnson and Damon Barnard. Mrs. Dazel Sosey and Mrs. Ruby Blake received special awards.

—:—

An invitation was accepted to attend friendship night to be observed by Waldo Temple March 24 at a meeting of Canby Temple, Pythian Sisters, Wednesday night in the Odd Fellows Hall.

During a social hour the mystery box was won by Mrs. Blanche Maass and Mrs. Hattie Titus received a special award.

—:—

Plans were discussed for the annual inspection to be conducted in the near future at a meeting of Starlight Temple No. 450, Pythian Sisters, Thursday night in the lodge hall at Essex. During the business session the charter was draped for Mrs. Emma Underhill, a member, and two national officers whose deaths occurred recently. At the next meeting, March 10, practice will be held in preparation for inspection.

Refreshments were served during a social hour by Mrs. Flo Decker and Mrs. Fern Wiley.

—:—

A meeting of White Lily Temple No 273, Pythian Sisters of Waldo, was held Thursday evening in the K of P hall with Most Excellent Chief Mrs. Elmor Salyer presiding.

Mrs. Flora Kreis was reported improving at her home after surgery in Morrow County Hospital and Mrs. Luella Klingel was reported improving at Marion General Hospital. Secret sister gifts were received by Mrs. Hazel Shuster and Mrs. Marjory Setter.

In the attendance contest, Mrs Betty Porterfield's team is leading the team captained by Mrs. Joan Thomas.

The following committees were appointed in charge of the friendship party to be held March 24, with Canby Temple of Marion to be guests: entertainment, Mrs. Dorothy Dutt, Mrs. Vera Baker, Miss Wanda Klingel and Mrs. Setter; refreshments, Mrs. Marie Chapman, Mrs. Lelah Schwaderer, Mrs. Elizabeth Klingel and Mrs. Hazel Klingel.

Mrs. Porterfield gave the mystery box which was won by Miss Wanda Klingel.

The next meeting, March 10, will be the quarterly birthday party with members having birthdays in January, February and March to be honored. A potluck supper will follow the meeting. Mrs. Lucille Schwaderer will have charge of the birthday gifts. A personal shower will also be given for Mrs. Sheila Klingel.

In charge of entertainment and refreshments Thursday night were Mrs. Maude Edwards and Mrs. Shuster.

Prizes in contests were won by Mrs. Salyer, Miss Klingel and Mrs. Alice Chapman.

St Augustine, Fla., was founded in 1565.

Church Activities

A program hour followed a brief business session when Circle Two of the First Presbyterian Church met Thursday afternoon in the church parlors.

Members of Circle Seven were hostesses. They were: Mrs. C. J. Allmaier, Mrs. C. B. R. McCoy, Mrs. Wilbur Symes, Mrs. Rex Kilbourn and Mrs. O. G. Stephenson.

Mrs. John K. Bartram, president, presided and gave a report on the recent meeting of the Presbyterian Women's Association. She announced the circle will be hostess for an Association tea March 3.

Mrs. Edwin J. Kinter opened the program by reading the Ninety-Fifth Psalm. Mrs. Frank McNeal presented a chapter from the study book, "The New and Living Way" and Mrs. Stuart Mills read a chapter from "The Greatest Book Ever Written."

Welcomed as new members were Mrs. W. G. Seay and Mrs. Grant Hinkamp.

—:—

Guest Night was observed by the Lydia Circle of Prospect Street Methodist Church Monday night when 35 members of the Woman's Society were entertained at the church.

Devotions were by Mrs. Donald Coile. Her meditation was on "That We May Be One" from "The Riches of the Kingdom" by Grace Noll Crowell. The pastor, Rev. F. E. Shoup, sang "Teach Me To Pray" and "The Publican." Mrs. Robert Boyd presided for business. Introduced as a new member was Mrs. Sharon Long. Announcement was made of a bake sale to be held by the circle March 5 at the Montgomery Ward store.

A patriotic film, "Freedom's Proving Ground," was shown by A. D. O'Keefe. Appointments for refreshments were in keeping with the patriotic idea. Serving as hostesses were Mrs. Bernard Brooks, Mrs. Dever Haas and Mrs. Lowell Mitton.

—:—

The Rural Salem EUB Ladies Aid Society of Beech met all day Thursday at the church with Mrs H. H Klinefelter presiding for the business session in the afternoon.

Devotions were led by the president and prayer offered by Mrs. Jerome Tittelbaugh. Mrs. Henry Hardy gave two vocal solos with guitar accompaniment.

The society will meet in two weeks at the church.

Guests included: Mrs. Frank Mayer, Mrs. Ornie Myers, Mrs. D. B. Gompf, Mrs. Henry Hardy, Mrs. Elza Bush, Mrs. James Wiseman, Mrs. L. G. Irey, Mrs. Harley Shuey and Mrs. M. A. Denzer.

Richwood Boy Hurt In Fall From Auto

A boy from near Richwood is in "fairly good" condition today in Marion General Hospital recovering from injuries he received when he fell from his parents' car on Route 4 Friday night.

Sheriff's deputies were notified about 10:30 last night that Robert Dean Thompson, 3, of near Richwood had been taken to the hospital after falling out of the car.

Deputies reported the youth fell out of the rear seat of the car about one-half mile south of Marion. His parents are Mr. and Mrs. Lewis Thompson.

The boy was treated for abrasions of the forehead and admitted for examination for possible fractures of the left shoulder and upper jaw.

Matter of Security

By George Sokolsky

It is easy to be theoretical about what does not affect one's own affairs. Actually for the amount of shears and scissors I would ordinarily buy, it would make little difference where the cutting steels come from. However, if I were manufacturing shears, scissors, surgical instruments or manicure sets in the United States at this moment, I would be looking around for something else to do or I might even move my business to some other country and export the goods from there to the American market. It could be more profitable under H. R. 1, now before Congress.

SOKOLSKY

Before World War I, most of the surgical instruments and supplies came to this country from Germany which specialized in this kind of commodity. Then during the war, the United States was caught short. Appeals were made to American manufacturers of scissors and shears to go into surgical instrument production, which required particularly skilled labor, workers with a high capability for precision. If this work group is lost by American firms going out of the surgical instrument business, it will be difficult to reassemble the workers.

—:—

FOR MANY YEARS, this industry was protected by a tariff which it regarded as reasonable. Meanwhile, American surgeons found it easy to get their own inventions and improvements manufactured here in the Unied States. The tariff, on shears and scissors, has now been lowered twice and probably faces a third reduction. The American manufacturer is required to pay wages that are four times higher than wages paid to similar workers in Germany and he cannot translate the difference into a competitive price.

Result: American firms are closing down. The shears, scissors and manicure implement manufacturers association states that the following firms have already discontinued manufacturing these commodities:

Berridge Shear Co. — Sturgis, Mich.; Belmar Instrument Co. — Belmar, N. J. Birmingham Cutlery Co.—Birmingham, Ala.; Case-Smiley Co.—Fremont, O.; Cameron Manufacturing Co.—Emporium, N. Y.; Arthur Dorp —Newark, N. J.; Harjan, Inc. —East Orange, N. J.; Kafelt Manufacturing Co.—Keene, N. H.; Metroloy Corp.—Canton, O.; Carl Monkhaus —Ellicotville, N.Y.; Progress Cutlery Co.—Fort Smith, Ark; Rex Cutlery Corp.—Irvington, N.J.; T. E. Schneider Corp., S. Norwalk, Conn.; Tri-Ess Products, Inc.—Jersey City, N.J.; International Edge Tool Co.—Newark, N.J.

—:—

OTHERS ARE expected to follow. It is reported that in Solingen, Germany, and vicinity there are about 800 manufacturers of cutlery, ranging from family work at home to small factories. In addition to manufacturing at about one quarter the American cost, this industry is subsidized by the West German government which receives subsidies from the United States. American manufacturers cannot compete with low wages and indirect American subsidies to German firms, plus a low tariff.

The largest American manufacturer of quality shears and scissors is J. Wiss and Sons. They have now gone out of the surgical scissors business because they cannot remain in it competitively with Germany. The Clauss Cutlery Company reports that it will have to do the same because "our production is almost down to nothing."

It is possible to say: Who cares? If Messrs. Wiss and Clauss cannot afford to make surgical instruments, let them go into some other business. They are not like dairy farmers who have to be subsidized; they do not have that many votes. On the other hand, if we get into World War III, are our boys to die because surgical supply necessities cannot be imported from Germany? That is the real issue—not whether individual firms will survive or not.

—:—

THERE IS A theory that when American manufacturers cannot compete in the American market with manufacturers from other countries, they ought to omit making this particular commodity and devote their capital and skill to something else.

That theory might be sound in time of peace. But we are living in a world that is continually within a prospect of war. Therefore, it is essential to conserve those American industries which are needed for war production and those skilled laborers who are becoming all to rare in a period of automatic machine production.

That is a factor in our manufactures that ought to be weighed against the advantage that may come from supporting the economies of those nations which we want to keep on our side. The American industries involved are comparatively small and do not involve huge investments of capital or large numbers of workers. But what they do may be irreplaceable in time of war.

L. N. COOK
Manages Employment Service

New Employment Agency Opened in City by L. N. Cook

Opening of a new employment agency in Marion, the Cook Employment Service, was announced today by L. N. Cook, manager of the agency. The offices, located at 139 E. Center St., opened this week.

Cook, a native of Marion, was most recently personnel director of the Denison Engineering Co., Columbus. Previously he was associated with General Telephone of Ohio in a personnel capacity.

The agency will specialize in the placement of personnel in Marion and surrounding communities. Psychological testing and counseling will also be offered, according to Cook.

Showdown

By Victor Riesel

Aging Capone mobsters and their second generation goons are fortifying the combine of unions which they control and which they have tied to multi-million dollar businesses from New York to Chicago to Las Vegas and back.

VICTOR RIESEL

These mobs are uneasy. They were among the first to read carefully the AFL-CIO merger statement issued in Miami Beach earlier this month.

They were among the first to realize the full significance of Section G, Part 2, of this document.

They know, as few of us know, that this section means that for the first time in the history of American labor the president of the federation and his high council of vice-presidents will have the power to drive the racketeers from inside labor.

—:—

THE MOBS KNOW that the lawyers who are writing the constitution of the new organization (American Congress of Labor?) are under orders to give the president specific power to revoke charters or to order international unions to revoke the charters of gangster-run unions—if these unions can't or won't get rid of the Crime Syndicate men.

This will mean that the president and executive committee or executive council of the merged AFL-CIO will not have to wait for a public brawl at one of its conventions to get permission to oust the racketeers.

Under the new constitutional powers George Meany, for example, will be able to move right into any national or international union to take on any regional labor robber baron.

Under the coming constitutional powers the national president need not respect the old bugaboo of "autonomy" inside the labor coalition. There will be no autonomy as an alibi to cover corruption. No union chief will be able to brush off the president by saying that the local union will clean its own house.

Under the new constitution, the national office will assume the responsibility—for the first time since the AFL was launched—to police all its affiliated unions. Anytime a union is used by a mob to shake anyone down, or to set up a private business for a union official, the national headquarters will have to move—and will have the power to do so.

—:—

FOR EXAMPLE, recently in a Nevada gambling house, a labor chief was permitted by the mob to win tens of thousands of dollars on the dice tables. And some labor officials have been known to roll the bones at $1,000 to $1,500 a throw. All on $125 a week salaries. In the future the national headquarters will have the moral duty and power to investigate and act.

These mobs are tough. It will take courage to fight them. But some of the labor chiefs believe that war will be declared on the labor mobs. Peppery Dave Dubinsky, who has taken it on the chin literally and figuratively for fighting the goons, wrote the other day that the "day of labor unity. . . is a day of dismay for racketeers. . .

"Back in 1940, in our (Ladies Garment Workers Union) fight for a clean labor movement, we were the first to introduce at an AFL convention a resolution against racketeering." Dubinsky wrote in his newspaper, "Justice."

"We had to be satisfied, at that time, with the adoption of a modified version of our resolution by that New Orleans (AFL) convention. Now the unity conference has provided that the spirit and principle of our resolution (of 1940) be embodied in the constitution of the new (AFL-CIO) federation. . ."

—:—

FOR INTRODUCING that resolution back in '40, little David Dubinsky got himself slugged by the Goliath extortionist, Joe Fay, most prominent member now of Dannemora's prison citizenry. Fay hit Dubinsky and howled vile, bigoted names at the garment workers' leader because Dave proposed the following, which I now nominate as the wording of the constitutional anti-crime section of the new labor federation.

Said the unsuccessful Dubinsky resolution in 1940:

"Be it resolved that the AFL, through its executive council or any agency authorized by it, have the summary power to order the removal by any national or international union affiliated with it, or federal local chartered by it, of any officer or officers convicted of any offense involving moral turpitude or conviction of using their official position in their unions for personal gains. . ."

Then Dubinsky demanded that all union constitutions be amended to contain "appropriate provisions" for adequate disciplinary action and that the national AFL office have the power to move against any union which refused to fight the rackets.

The time has come to pull this out of the AFL files. Fifteen years is long enough for dust gathering. The showdown is here. Or is it?

Galion Doctor Marks 65th Year In Profession, Remains Active

GALION — The subject of many news stories, Dr. H. H. Hartmann, in his 85th year, comes into print again as he observes the 65th anniversary of his graduation from Columbus Medical School.

On March 4, 1890, he received his diploma and came back to his home town, Galion, to begin practice by working with the late Dr. Charles Coyle. For two years he stayed in Galion to be near his mother who was ill. Then in 1892, he contracted to the W. P. Wrend Mining Co. that owned three mines near Jacksonville, O., in Athens. He received a dollar a month per head to care for the miners.

Still Has Practice

Still practicing medicine, although he takes his calls from his home here, most of the doctor's patients are those who have depended on him through the years. Whether or not the doctor's patients have come through to such ripe old ages because of his skill as a physician, or whether they have pulled through because they have caught some of his zest for living, is not known.

It was a 91-year-old patient for whom the doctor was downtown getting medicine Feb. 14, when some friends called at his home to wish the doctor and his wife a happy 25th wedding anniversary. It also was an 84-year-old man who took the doctor on his longest "house" call in September. That was to a plantation south of Hawkinsville, Ga., when Elmer Treisch, a former Galion resident, summoned the doctor there to pull him through an illness. For years, Treisch has sent for the doctor to help him.

"I don't feel any older than when I was 50. I do a lot of walking. About every day, I walk uptown unless it is raining or snowing to make it too slippery," the doctor declared.

He and his wife also take a ride in their automobile almost every afternoon. Then he takes a nap when he gets home. He is a firm believer of observing the rules of health, he says.

Served as Mayor

Oldest practicing physician in Galion is not the only distinction the doctor claims. He also made a record when he served 10 terms (20 years but not all consecutive), as mayor of the city. He completed his last mayoralty on Dec. 31, 1949, at the age of 79. He was 77 when he was sworn in the last time.

During his service as mayor, the doctor contributed most to health and sanitation of the city, perhaps, because he was a doctor. His administrations had much to do with building a sewerage system, establishing a municipal light plant and street lighting system, paving streets and the early development of a water system.

His trips to patients over the hills of southeastern Ohio in those first days, were by horseback, on a bicycle, on foot, often with a two-wheel cart, and over mud roads. Many time he made his race with the story, riding horseback, carrying a satchel of medicine and an enameled pan in which to wash the baby. Prescriptions for the patient to have filled out at a drug store were unheard of then, so the doctor had to be a "traveling drug store." It wasn't until 1910 that "Doc" Hartmann had his first automobile for his practice. That was also his first year as mayor.

The doctor took post graduate work at the Polychnic Hospital in New York City. Before his college training, he spent many hours in his father's drug store in Galion.

Before becoming mayor, the doctor served as health officer of the city from 1900 to 1910 at a salary of $10 per month.

The home where the doctor and his wife, Vurba, live is the same house in which he was born, June 13, 1870, only it was located farter down the street.

The doctor has three daughters, five grandchildren and several great-grandchildren.

The U.S. death rate in 1954 has been estimated at 9.2 per 1,000 people.

Local Student Named Queen By Miami U.

A Marion student, Miss Jeri Barnhill, sophomore at Miami University, has been selected 1955 queen for Recensio, the university's yearbook. She was selected by John Robert Powers, head of a well-known New York modeling agency.

She is the daughter of Mr. and Mrs. Frank Barnhill of 529 King Ave.

Chosen for beauty, Miss Barnhill topped the field of 23 contestants.

She is active in Delta Zeta, Junior Orchesis, is on the business staff of the Student, is a member of the YMCA and the Pan-Hellenic Council. She was her sorority's nomination for Greek Week queen last year.

She is a graduate of Harding High School with the class of 1953 and is enrolled in Education 2 at the university.

School Study Head Slates Local Report

State Representative William L. Manahan, chairman of the Ohio School Survey Commmittee, will be in Marion next Saturday morning to report on the work of the committee.

The public is invited to attend this meeting at 9:30 a.m. Saturday in the Harding High School cafeteria which is being sponsored by the legislation committee of the Marion County Education Association. Floyd Hofacker, principal of Glenwood School, is chairman of this local committee.

Rep. Manahan's committee recently completed a year's study of Ohio's schools and this week made its recommendations to the Ohio Legislature.

Special invitations to attend the meeting are being issued by Hofacker to school personnel and community organizations.

streets have as their primary purpose the movement of vehicular traffic and parking on any street is secondary.

He noted that parking has been removed from one side of many of the narrower streets in the city to provide for the free flow of traffic or to maintain a lane of sufficient width for the safe passage of fire fighting equipment.

Other Legislation

In addition to this, City Council will consider nine pieces of legislation as well as other routine business at its meeting Monday night.

One ordinance will be to establish the starting date for the payment of uniform allowances to police and firemen. The payment was authorized by Council at its last meeting.

Two resolutions to be discussed will concern the installation of sodium vapor street lights in lieu of flasher lights at three railroad grade crossings in the city.

Parents Want To Make Certain School Is Safe

STEUBENVILLE, Ohio (AP) — The parents of 117 pupils of nearby Unionport School petitioned Common Pleas Court today to issue an injunction against the reopening of the school, hit by two fires and an explosion in 18 months.

The school is scheduled to be put back in use in mid-March. The parents say the state fire marshal should reinspect it first.

The last accident was an explosion in the school's oil furnace about a month ago, just after a state fire marshal had declared the building safe.

Since then, the pupils have been attending classes in a Grange hall and similar buildings. No one was hurt in any of the accidents.

Weather Report

Cloudy and mild, highest 47-52 north and in the 50s south portion today. Occasional rain this afternoon and tonight, low tonight 36-42 north, 40-45 south. Sunday cloudy with occasional rain, turning colder north.

Congress

(Continued From Page 1)

conferees to insist the tax-free fund be eliminated.

The same five conferees who acted previously were named by the Senate. Kefauver, head of the group, told a reporter he was sure the House would insist on some other concession as a substitute for the expense fund.

Rep. Walter (D-Pa), one of the original House conferees, said in a separate interview he thought the Senate now might have to give up a provision to give the lawmakers their expenses for five round trips home each year, in addition to the one round trip they now get at 20 cents a mile. It is estimated to be worth $2,500 to a member from the West Coast.

Might Settle on $24,000

Walter said if this is dropped, then the conferees might agree on $24,000 straight salary, $1,000 less than the House first voted but $1,500 more than the Senate put in its bill.

The tax-exemption feature on the expense fund was the principal issue raised against the compromise bill in the Senate yesterday.

Arguing against it were Sens. Barkley (D-Ky), Holland (D-Fla), Monroney (D-Okla), Williams (R-Del) and Knowland (R-Calif).

Several members recalled the sharp criticism voiced of the Congress in 1946 when it voted a $2,500 tax-free, nonaccountable expense allowance to all senators and representatives. This allowance finally was made taxable in 1952, and has since been considered a part of a $15,000 congressional salary.

Kefauver and Sen. Dirksen (R-Ill) attempted to explain that the $1,250 allowance in the pending bill was entirely unlike the old 1946 provision.

This new fund, they said, would be strictly limited to official expenses, which would have to be itemized.

But Holland said the public would not understand and would "point the finger of suspicion at every senator."

Bad for Morale

Williams argued it is bad "for the morale of taxpayers" for members of Congress to have any tax-exempt compensation.

Monroney called the provision "just another gimmick tied to senatorial pay."

Barkley said Congress should not give itself additional money "under a guise." He also opposed the five trips allowance, insisting it would encourage absenteeism.

Others referred to the $3,000 tax deduction the lawmakers already have for their living expenses in Washington. It is not disturbed by the pay legislation.

Gilt Program Luncheon Set March 25 by C. of C.

Reports by advisers of the Chamber of Commerce pure bred gilt program were given Friday at the agriculture committee meeting at Hotel Harding.

Two gilts in this year's program have farrowed in the last month. They were owned by Howard W. Koehler and Bud Bush.

Plans for the annual luncheon for participants in this year's program have been completed. The dinner is set for March 25 at the Hotel. Lloyd Calhoun will be program chairman. L. D. Kingsbury, public relations director of Producers Consolidated in Columbus, will be the main speaker.

Each participant in this year's program will make a short report on the progress of his animal.

The agriculture committee also made preliminary plans for holding a farm visitation day in early June.

Bids Asked on Road Improvements in Upper

Bids for road improvements in Allen and Wyandot Counties will be taken in Columbus Tuesday, State Highway Department Division Engineer Walter J. Neidhardt announced today.

Route 30-N in Allen County will be relocated at the Junction of Route 115 (Ords Corner) in order to reduce a curve and correct the site distance which has been obscured by a house and which has resulted in several accidents in recent years.

In Wyandot County Route 23 in Upper Sandusky will be resurfaced on Sandusky Ave., Wyandot Ave., and Warpole St. The route on the latter street will also be widened two feet.

Forgery, Theft Charges Filed Against Man

An Elmira, N. Y. man arrested by Marion police Wednesday on a charge of failure to have license tags on his car faced more serious charges in Toledo Friday.

Malcolm George Stepp, 24, was turned over to the FBI and was taken before the U. S. commissioner in Toledo charged with interstate transportation of stolen property, a violation of federal law.

After his arrest here, city police found a number of American Express checks in his possession which he admitted stealing and later cashing in several cities, Police Chief Thomas Coon said.

A check with Elmira officials showed the checks were stolen from the American Express agency there.

Chief Coon said today that warrants charging Stepp with check forgery had been filed both in New York and Florida.

H. O. Hawkins, special agent in charge of the FBI office in Cleveland, said he wished to compliment Marion police on their alertness in arresting Stepp and bringing a man on the FBI list into custody.

Albert J. Anderson, special agent for the FBI, of Mansfield, said that at the hearing before U. S. Commissioner John J. Barone in Toledo yesterday, Stepp was placed under $5,000 bond pending further action in the U. S. District Court there. He presently is being held in the Lucas County jail in Toledo.

"It was a superb bit of work by Marion police," Anderson said.

Woman Seeks $27,500 Claim In Damage Suit

A Marion woman is asking $27,500 damages from the operators of the Safety Cab Co. and another Marion man for injuries she allegedly suffered in an automobile accident last August.

Filing the suit in Common Pleas Court Friday was Lottie Simon of 319 Senate St. Named defendants in the case are Harold L. McCurdy and R. E. Bunford, doing business as the Safety Cab Co. ,and as individuals; and Felton F. Castle of 147 Canby Ct.

The woman claims she was a passenger in a taxicab of the Safety Cab Co. on Aug. 22. She alleges the cab struck the rear of a car which stopped for a traffic light at W. Center St. and Oak St., and was in turn hit in the rear end by the car driven by Castle.

She claims the operator of the cab was at fault for failing to stop before hitting the first car and that Castle was at fault for failing to stop before hitting the cab.

She alleges she was thrown against the front seat of the cab, then back against the back seat and suffered shock to the nervous system, bruised knees and back, strained muscles and ligaments in the spine and back and a ruptured intervertebral disc in the spine.

She claims she had to submit to many examinations and treatments which were costly and painful and that she will have to undergo surgery in the future in order to have the back injury corrected. She also alleges she has had to wear a special back brace since the time of the accident, and asks the money as damages for her injuries.

Curriculum Study Unit To Meet Monday Night

The curriculum coordinating council will meet at 7:30 p.m. Monday in Room 101 at Marion Harding High School. The council, composed of school personnel, residents of the community, and fourth to 12th grade students, is under the direction of Harold Edwards, director of instruction in the city schools.

The Council has been studying school philosophy, goals and purposes, the instructional program, and other educational problems.

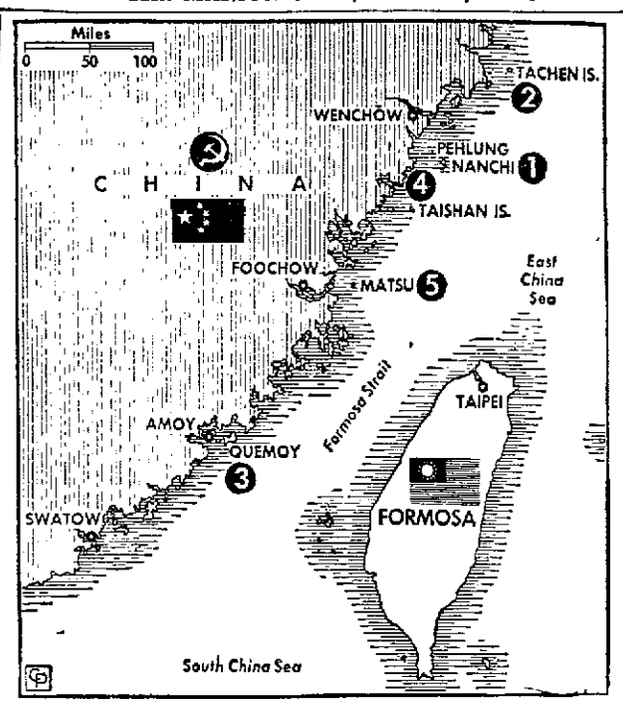
Some of the groups of the council have completed their study, but those who have not are asked to meet Monday to work in their group.

Religious Film Slated

A film, "The Final Test," will be shown at the teacher training class Wednesday afternoon at the Union Rescue Mission conducted by Miss Dorotha Goyer, Marion County Child Evangelism Fellowship director. This will conclude a series of "Successful Teaching Films" that have been presented at the weekly classes. The group activity will be assembling of "The Salvation Kite" to be used for memory and attendance projects, Miss Goyer announced. Time of the class is 1 o'clock. The mission is located at 142 N. State St.

BOY CHURCH ROBBER JAILED

MIDDLETOWN, Ohio (AP)—Judge Harry Walsh of Juvenile Court sentenced a 16-year-old to Boys' Industrial School yesterday because he made "too many fouls." The boy admitted robbing a church of $600. "As in basketball, when you break the rules you have to leave the floor," the judge said.



NANCHI PULL-OUT IS 'STRATEGY.' Evacuation of Nanchi (1) was made "for the purpose of consolidating the defense line . . ." said a Nationalist China announcement. Nanchi was evacuated without U. S. assistance, which was prominent in prior evacuation of the Tachen islands (2). Quemoy (3) is under Red shelling from a nearby islet. Nationalist pilots report "lots of Red junk convoys" outside Wenchow bay near the Taishan islands (4). Besides Quemoy, the only important Nationalist island base near the mainland is Matsu (5).

Formosa

(Continued From Page 1)

about 10 miles south of Red-held Nanjih Island.

The main value it would have for the Reds would be as propaganda, for they could then give the impression of making progress in their avowed plans to "liberate" Formosa.

The Ministry reported Red warcraft shelled Wuchiu about the time Nationalist warships bombarded small Red-held Peichishan, 12½ miles north of abandoned Nanchishan, formerly northern anchor of Chiang Kai-shek's island outposts.

The defense ministry said the ships bombarded military installations, started fires, and returned to base safely.

The latest Nationalist report the Reds are shifting forces southward toward the Formosa Strait area comes from the Tatao News Agency, operated by the Interior Ministry.

The agency, which specializes in reports from Red China, where it claims to have underground contacts, said a Communist fleet left the north China port of Tsingtao Feb. 20 for the Foochow area of Fukien, opposite the Matsu group of islands.

The agency said the fleet included six new-type torpedo boats, 20 landing craft, and twelve gunboats.

Most of them, it said, were turned over to Red China by Soviet Russia last November.

Ike

(Continued From Page 1)

He went to work with one of the painters on the color he wants.

Forty-five minutes and several mixtures later, Eisenhower finally was satisfied. And he had the painter try some of the presidential concoction on the side of the barn.

Then he hiked back to the house and had Mrs. Eisenhower take a look out the window.

A moment later he reported the First Lady thought the shade was "just right."

His parting shot to the painter was:

"Let your artistic sense be your guide."

The Eisenhowers' new home — the first of their own in nearly 40 years of marriage — is just about ready for occupancy. Already partly furnished, the house obviously pleased the President.

He had only one complaint — the pigeons flying around the place.

"I'll have to get out my shotgun," he mused as he watched them fly overhead.

8 Local Rotarians, Wives Will Attend District Convention

Eight Marion Rotary Club members, accompanied by their wives, have made plans to attend a meeting in Lorain Sunday and Monday of District 227, Rotary International, of which the Marion club is a part.

In the group from Marion will be Odell Thompson, president, and Mrs Thompson; Ralph W. Howard, president-elect, and Mrs. Howard; Dr. and Mrs. James S. Greetham, Mr. and Mrs. Merle Hamilton, Mr. and Mrs. Harley Roby, Mr. and Mrs. Vernon Street, Mr. and Mrs. Henry Mickley and Mr. and Mrs. Wayne Kuhn.

Featured speaker for the meeting will be Henrik de Kauffman,, Danish ambassador to the United States.

Mr. Mickley of the Marion club will take part in the program, addressing the group on the 50th anniversary of Rotary International which was observed last Wednesday.

Headquarters for the meeting, which will get under way at 3 p.m. Sunday, will be at Hotel Antlers. In a business session Monday, election of a new district governor will be held. The present district governor is E. J. Burger of Lorain. A banquet Monday night will conclude the two-day meeting.

On Radio Broadcast

Musicians appearing on the Lecture-Recital Club's Sunday afternoon radio broadcast over Station WMRN tomorrow at 3 p.m. will be Mrs. Virgil Curl and her daughter, Miss Patricia Curl. They are instrumental soloists of the club and will present organ and piano duo numbers including "Andante" from "First Symphony" by Brahms; "The Swan," Saint - Saens; "Adagio" from "Moonlight Sonata" by Beethoven; and "Finlandia," Sibelius.

Tax Cut

(Continued From Page 1)

The $20 reduction would cost the Treasury about $2,200,000,000 in revenue over a full year, and about 815 millions in the six months it would be effective in the next fiscal year. On the other hand, the corporation and excise taxes that otherwise might expire raise about three billion dollars annually and would be applied during most of the fiscal year.

"I don't believe the House will reverse its vote on the $20 tax cut," George said.

HAPPY OVER HOUSE TAX VICTORY. Congratulations are exchanged by two happy Democrats, Rep. Jere Cooper (left), chairman of the ways and means committee, and Speaker Sam Rayburn, after the House passed a Democrat-sponsored bill to reduce personal income taxes by $20 a person. However, Senate Minority Leader William F. Knowland predicted that the legislation would die in the Senate finance committee.

4 Children Die As Fire Razes Wellston Home

WELLSTON, Ohio (AP) — Four young children were burned to death and their parents seriously injured early today in an unexplained blaze which destroyed their Wellston home.

The victims were four of the seven children of Mr. and Mrs. Frank Brown.

Coroner Charles Gaskill identified them as Delmus Brown 5; Sharon Kay, 4; Edward Michael, 2½, and Joseph Ray, 6 months.

Brown, 51, and his wife, Maxine, 29, were taken to Holzer Hospital in Gallipolis with severe burns over more than half their bodies. Hospital officials reported their condition as "good."

Firemen said the blaze which engulfed the Brown's four-room, one story cottage may have been started by a coal cook stove in the kitchen.

Two other children in the Brown family, Connie Lou, 8, and Bobby, 6, suffered minor burns. Another child, Gary Lee, 3, escaped uninjured.

ing U.S. commander in the Western Pacific, is in Washington, stirred speculation Taylor would succeed Hull.

The Defense Department has declined to comment on such published reports. It has also kept officially quiet about other reports that the top command in the Far East would pass to one of the other services, possibly the Air Force, now that there has been a large reduction in the number of Army troops stationed in Japan and Korea.

Taylor, who commanded the 8th Army in Korea, took over one of Hull's top jobs last November when he became commander of U.S. Army Forces, Far East.

Hull is a veteran of both World Wars and served successively as assistant chief, deputy chief and vice chief of staff for the Army before he went to Japan in October 1953.

Hull entered the Army in 1917 after graduating from Miami University in his home state of Ohio.

He was in charge of the big atomic weapons test at Eniwetok in the spring of 1948.

Bingo Game Owner Protests Closing Of Chez Parce Club

PORTSMOUTH, Ohio (AP)—Attorney Ernest G. Littleton has asked that a temporary order closing the Chez Paree—home of a big Scioto County bingo game—be set aside.

Littleton filed a motion yesterday in Scioto County Common Pleas Court on behalf of one of the defendants named in the pad lock order. That order was issued by Pickaway County Common Pleas Judge William D. Radcliff. Littleton says Judge Radcliff did not have jurisdiction to grant such an order.

Judge Radcliff was assigned to the case by Chief Justice Carl V. Weygandt of the Ohio Supreme Court when an assistant state attorney general filed an affidavit of prejudice against Scioto County Common Pleas Judge Vernon Smith Thursday.

The state, seeking a permanent padlock order against the Chez Paree near Wheelersburg, claims the bingo game is a gambling operation.

Blue and Gold Banquet Held by Cub Scout Pack

Approximately 165 Cub scouts of the Pearl Street PTA Pack 14, and their parents, attended the annual blue and gold banquet at the school Thursday evening. The committee planning this annual event was composed of Mrs. John Lodwig, Mrs. Elmer Niskanen, Mrs. Robert Morrison, and Mrs. John Davis.

During the program, Russell Simmons showed films concerning cub scouting and cartoons. James E. Frew, representative of the executive board of the Harding Area Boy Scout Council, spoke briefly.

Awards were presented by Robert Morrison, cubmaster, to the following boys: Neal Hall, Jack Howser, Donald Flowers, George Davis, Martin Smith, Stephen Purcell, Stephen Harper, Rick Keefer, William Metzger, John Niskanen, James Niskanen, Darrell Hinklin, John Lodwig, Terry Fralich, David Williamson, Kenneth Simmons, Stephen Simmons, Larry Porter, George Schnaufer, Roger Curren, Gary Sontag, and Stephen Morrison.

Den mother badges were awarded to Mrs. Davis, Mrs. Richard Curren, Mrs. Russell Simmons, Mrs. Rollin Beach, Mrs. Richard Keefer and Mrs. Ben Wiant.

Service stars were awarded to 15 boys.

Killing

(Continued From Page 1)

State police gave this account of the incident near this small community where Gen. Robert E. Lee surrendered to Gen. U. S. Grant at the end of the civil war.

Mayberry late last night entered the house where his sister, Mrs. Lillian Tucker, lived with her husband and Mayberry's ailing mother. He shot Tucker, who fell dead on the back porch with six bullet wounds.

Mrs. Tucker fled to Appomattox where she notified police, then called Dr. Christian.

The first officers to reach the Tucker home found Dr. Christian lying on the front sidewalk about 20 feet from the house. They said he apparently reached the door, was shot and staggered back to the spot where his body was found.

Sheriff Robertson arrived at the scene about this time. As he approached the house, a barrage of shots struck his car. He took cover and began firing at Mayberry, who ran from the house and hid behind a nearby garage.

All available state troopers were called and, between rounds of gunfire, they began lobbing tear gas bombs toward Mayberry's hiding place. Finding the tear gas ineffective, they used flares to light up the area as Mayberry darted from one place to another behind the garage.

Robertson said Mayberry cursed the officers, screamed he would kill them all if they came near him, then called out he was hurt. He fell to the ground and the officers, who had taken refuge behind a nearby railroad embankment, swarmed over him.

Police said Mayberry was armed with a .38 caliber revolver and a shotgun. They estimated he fired at them about 40 times.

Two Autos Collide South of Mt. Gilead

No one was injured in one accident occurring in Morrow County Friday and investigated by state highway patrolmen from the Marion post.

A car driven by Lawrence Carpenter, 21, of Cardington, struck another northbound car driven by Ralph B. Elliott, 16, of Caledonia, patrolmen said. The accident occurred on a county road known as the Worthington - New Haven Rd., about five and one-half miles south of Mount Gilead, at 8:15 p.m.

Extensive damage resulted to the rear end of the Elliott vehicle, and slight damage to the front end of the Carpenter vehicle. Carpenter was arrested on a charge of failing to stop within an assured clear distance, and was to appear before Mayor Don Healea of Cardington today.

REPORT CORRECTED

At the meeting of the Harding High School class of 1935 alumni group Thursday night preliminary plans for the 20th anniversary reunion were discussed. Officers listed were the original senior class officers of the graduation year. No election was held by the alumni group as was stated in an account of the meeting in last night's Star. Further plans for the reunion will be held at a larger meeting March 9 at the YMCA.

INDUCTED AT COLUMBUS

MOUNT GILEAD — Two Morrow County youths left this week for Columbus for induction into the armed forces. They were Elston Bachelder and Robert E. Hindman, both of near Edison.

There are enough autos in the United States to carry every person in the country with all the rear seats empty.

Family Service Society Plans March Meeting

March 22 was announced today by Dr. Frederick Rea, president of the Family Service Society board, as the date for the spring meeting of the society. The goal of the meeting is to hear the views of the citizens on the work of the agency and to discuss any questions they may wish to raise. It will be held in the YMCA.

At the request of Rev. Harrison Ludwig, chairman of the interpretation and public relations committee, at a meeting of the board Thursday night, Miss Margaret Topliff, Mrs. Jess Stewart and Mrs. Edward Snyder were appointed to the committee.

Miss Vivian Hall and Judge Edward Ruzzo were named as the legislative committee with the responsibility of bringing to the board information on state and national legislative developments which have a direct bearing on health, welfare and recreational programs.

The treasurer's report emphasized the difficulty the agency was having to operate within the 80 per cent of the alloted budget originally approved by the Community Foundation.

The statistical report showed an increase of 10 additional cases carried forward from January for service in February and a total of 132 individuals seen during the month of January.

Of the 19 applications received during the month of January, 1 were from the city of Marion and six from the county.

Those present at the meeting were: Dr. Rea, Robert Axe, Ray Beverly, Norman Fogt, Miss Hall, Dr. Robert E. Logsdon, J. E. Oliphant, Mrs. E. J. Probst, Mrs. B. N. Salzman, Mrs. Joseph Scandling and Mrs. Smith Witter and Mrs. Doris C. Maxwell, executive secretary.

Thieves Pilfer Four Parked Autos Here

Pilfering of four automobiles in Marion was reported to city police Friday.

Danny Blair of 561 Sugar St. reported that his car was pilfered sometime Thursday night while it was parked in front of his residence. Tools valued at a total of $38 were stolen.

Dennis T. Brooker of near Marion said a car loaned to him by a friend was pilfered while it was parked at the rear of the 100 block in N. Main St. Thursday night. He did not know what, if anything, was taken.

Mrs. Marvin E. White of 534 Davids St. said her car was ransacked while it was parked in a garage at the rear of the house and two pair of sun glasses and some small tools were stolen.

A blanket valued at $5 was stolen from a car owned by Ruth Powell and parked in front of her residence at 675 Wood St., she told police.

Traffic Cases

Two drivers were fined a total of $30 on traffic charges in Marion Municipal Court Friday. They were C. E. Graham, 30, of Delaware, insufficient muffler on truck and Ray W. Shaw, 22, of 213½ N. Main St., no driver's license. Each was fined $15 and costs.

District Traffic Cases

Two arrests were made Friday outside of Marion County by state highway patrolmen from the Marion post.

Frank F. Levings, 61, of near Cardington, was arrested on a charge of a defective muffler. He is to appear March 4 before Mayor Emery Murphy of Mount Gilead.

Harvey R. Wilkey, 19, of Willoughby, was arrested on a charge of passing over a yellow line. He was fined $15 and costs by Mayor Don Healea of Cardington.

Special Music Program Slated at Local Church

A special program of music and art has been arranged for tomorrow night at Trinity Baptist Church featuring Rev. Eugene Lundberg of Chicago, Ill. He is a tenor soloist and chalk talk artist and is a personal friend of the Trinity Church educational assistant, Rev. Warren W. Lindstrom.

Since 1948 he has been giving full time to sacred concert work. In addition to singing, he includes in his program chalk drawing. He did commercial art work in Des Moines, Ia., before going to seminary and has done considerable mural and altar painting.

During the summer of 1947 he toured in Scandinavia as tenor soloist for the Swedish Christian Male Chorus of Chicago. He studied voice with Stanford Hulshizer of Drake University in Des Moines and in Chicago with Clifford Toren. His program is made up of familiar hymns, sacred classics and Negro spirituals.

NEARS $5,000 MARK

MOUNT GILEAD — Amount raised in the annual March of Dimes campaign in Morrow County is nearing the $5,000 mark, according to Mrs. Hilda Riggs, county fund drive chairman. Mrs. Riggs reports that donations are still being received.

'Caress Cut' Newest Fashion for Hairdo

NEW YORK (UP) — The nation's hairdressers say the shaggy hairdo must go. The "Butch Cut" is outmoded. The cut for spring and summer is called the "Americano caress."

This cut is well-groomed and not careless, said the National Association of Hairdressers and Cosmetologists. It provides what the association called, "a revealing kissable neckline for all."

The Americano caress is identified by "a gleaming plateau top."

"It will feature a high line at the eye line, with a slightly bouffant effect," the description ran. "Its lines rise at the eye level, then return moving forward toward the cheek with either symmetrical or asymmetrical balance in a piquant flair."

The hairdressers also forecast a revival of bangs, but cut to flatter the individual face. They also are promoting topaz and champagne hues and something called peach-blossom pink for lighter hair, mink brown for brunettes and hyacinth purple highlights for black hair.

Teenagers Furnish First Support for Newer Fads

NEW YORK (UP) — Teenagers take to new styles even quicker than fashion - conscious working girls, a new survey reports.

A team of researchers recently checked department stores to see what group of women were first to respond to a change in fashion. They found that teen-agers had done more inquiring about the much-discussed A-line Christian Dior started, and also about new look foundation garments to give them a high, rounded bustline, than any other age group.

"They long to be grown up," the report said.

"Being grown up means being able to do what you please. And teen-agers found fashion was one of the few ways they could copy adults and feel grownup."

TOBACCO HEARING SLATED

WASHINGTON (AP)—A joint Senate-House subcommittee hearing on the problem of overproduction of burley tobacco has been scheduled for next Thursday. Burley is grown principally in seven states, including Ohio. Sen. Clements (D-Ky.) says burley growers in the last marketing year produced some 680 million pounds, compared to a normal annual usage of about 520 million pounds.

U.S. Sends 7 Back to China, Sets Example

WASHINGTON (AP)—A new effort to obtain the release of 15 American fliers jailed in Red China is being made by the United States — by setting an example.

It is returning to Red China seven fishermen rescued by U.S. Air Force planes after they were stranded on a reef about 200 miles off Indochina. The fishermen came from Hainan Island, just off the Red China Coast.

American officials reported the incident to Dag Hammarskjold, secretary general of the U.N. emphasizing the United States behaves in a civilized way and sends castaways home as quickly as possible.

Hammarskjold made an unsuccessful effort last month to persuade Red China to release the American fliers, captured during the Korean War. Eleven of them have been sentenced to prison terms as "spies."

Officials said yesterday the Red Chinese fishermen were rescued last May and taken to an Air Force base at Manila.

Student, Truck Driver Killed in Ohio Crash

WELLINGTON, Ohio (AP) — A Wellington High school student and a truck driver were killed today in a car-truck collision on Ohio 18, a mile and a half east of this Lorain County village.

The youth was Wendell Jewett, 17, driver of the car. The truck driver was not immediately identified. His truck was owned by the Long Motor Freight Co. of Detroit.

The two vehicles were found in a ditch early this morning, the truck in flames.

AUDIENCE FAILS TO SHOW

CINCINNATI (AP) — Ruth Lyons conducts an audience participation show on television. But yesterday she had no audience. Some 100 women from Dayton, Ohio, were supposed to attend but they never received invitations because of a mailing mix up. Studio staff members ate the lunch prepared for the guests and Ruth carried on with a "pickup" audience.

Harding Drops Finale; St. Mary Bumped in Tourney

Prexies Falter In Last Half, Beaten 61-52

By GARY SAMS

Harding's regularly scheduled basketball season was closed at 6-14 today following a 61-52 loss to Sandusky in a Buckeye Conference tilt at Sandusky Friday night.

The loss came after Harding led for three quarters and hit a second half shooting slump from the field.

It was the Blue Streaks' ninth win against seven setbacks and enabled them to pass the Prexies in the conference race. Sandusky wound up with a 2-3 league mark to Harding's 1-3 record.

Set for Tourney

Coach Jim Lawler's Presidents will now go into workouts for their opening start in the Class A Sectional tournament at the Coliseum Wednesday night. Galion, which drubbed the locals 79-56 during the season, furnishes the opposition.

After hitting on 38 per cent of its shots from the field during the first half Harding slumped to a 21 per cent shooting figure in the second half as the Blue Streaks' lanky 6-5 center Gene Miller, controlled the boards and started dropping in fielders from the keyhole.

Harding was never able to build up a too comfortable lead but at the start of the second half jumped into a 34-25 bulge before the winners began cutting the deficit. Coach Whitey Regan's squad tied the score at 43-43 at the close of the third quarter and jumped into an early fourth period bulge which the Prexies were never able to seriously threaten.

Miller, who wound up with 23 points for the Blue Streaks, hit for 10 of them in the third period and added nine in the final period, five of them from the charity circle.

Harding drew first blood when Bob Messner connected on a hook shot and the Prexies jumped into an early 6-1 bulge. Harding and Sandusky traded baskets until Joe Snouffer drove in for two bunny shots, Phil Carroll popped in a two-pointer and Messner hit from under the basket at the close of the opening period to shove Harding into a comfortable 18-7 margin.

The winners whittled the lead to 19-15 in the early moments of the second period and remained that distance behind until a late spurt by the Prexies gave them a 30-23 advantage at halftime.

Lead Prexy Attack

A pair of foul shots by Messner and a long shot by Carroll gave the locals a 34-25 bulge at the start of the third period before six straight points by Sandusky trimmed the Harding lead to three. Both squads traded points throughout the rest of the period before Miller hit from close in and Pat Gallagher dropped in two free throws to bring Sandusky up even at the beginning of the final period.

Sandusky jumped into a 49-43 edge at the start of the final period and led by six, seven and eight points through most of the period while playing deliberate ball.

During that final quarter, Harding hit on but one of five foul shot attempts after dropping in 13 of 18 in the first three quarters. Sandusky clicked on 21 of 29, getting eight in the last stanza.

Top Scorer

Messner paced the Prexies with 14 points while Carroll hit for 13 and Snouffer contributed nine. Carlisle had eight and Phil Sykes added six.

Carroll and Snouffer, Harding's pair of senior guards, led the Prexies' 19 for 57 shooting performance from the floor. Carroll dropped in six of 17 long shots and Snouffer, who turned in a bang-up floor game, hit on four of 11 attempts from the floor.

Harding's Vice Presidents went down to a 43-34 defeat in the preliminary reserve contest after falling behind in the final stanza. It was the third loss of the season for the Prexy futures and was Sandusky's 11th win in 15 starts.

Irish Miss In Bid for District Spot

An off night from the floor and the single elimination tourney plan brought an abrupt halt to St. Mary's basketball campaign last night when the Irish bowed to a ragged Columbus St. Mary team 59-49.

The game was the third on the Exempted-Parochial tourney slate at Westerville. In other action, Mount Gilead clipped Columbus Holy Family 59-35 and Newark St. Francis rolled by London 48-42. The three winners nailed down berths in the Central District Class B tournament next week at Capital and Otterbein.

It marked the first time the Irish had failed to pass the exempted tournament tests for a district berth.

22 Per Cent Mark

Suffering one of its poorest nights of the season, the St. Mary quintet connected on only 17 of 75 attempts from the field for a 22 per cent shooting mark.

It was the 21st win of the campaign for Ken Neville's Rams against a single loss. However, the Columbus squad showed Marion fans little and on the basis of its performance last night, appears highly over-rated.

Lanky Dave Stewart, 6-4 Columbus star, shoved his mates ahead after three seconds when he scored on a drive-in. Jerry Ballenger knotted the count at 2-2 on a set shot from just outside the foul line but Al Bucilla put his team into a lead it never relinquished on a jump shot from the keyhole. From there the Rams built their lead to 8-2 before the Irish could score again. St. Mary tried 19 shots from the floor in the opening period and hit on only four of them as the winners moved into a 16-8 edge.

St. Mary's jinx lightened in the second stanza as the Irish hit on five of 16 field goal attempts. However, the Rams also enjoyed their best eight minutes and retained a 32-18 cushion at the half.

The Irish squad hits its lowest point in the third stanza, connecting on two out of 19 field goal attempts. Columbus nailed down the verdict in that quarter, moving to a comfortable 42-28 edge at the start of the final session.

The Irish, led by Jon Smith, dropped in six of 21 in the fourth quarter and managed to climb within eight points, 50-42, when their press stalled the Columbus attack. The Rams, however, pulled themselves together and managed to beat down the Marion threat.

Stewart topped the winners' scoring with a 21-point output. Dave Barker followed with 15 and Bucilla netted 7.

Smith Leads Attack

The loss gave St. Mary a 14-7 mark for the season and broke a five-game winning streak which finished the regular season. Six seniors saw their final high school action in last night's tussle. They include Micheli, the team's high scorer during the regular season, Ballenger, Johnny Messenger, Dave Kraft, Jerry Cornely and Gary Howman.

Smith was high for Ray Robbins' charges with 17 and Roger Micheli finished with nine.

Volunteer Firemen Fight Edison Area Home Fire

MOUNT GILEAD — Volunteer firemen from Edison and Mount Gilead fought for three hours a fire Friday afternoon which destroyed a frame home one-half mile north of Edison.

It was not known what started the fire at the Bill Griffith home, Edison Fire Chief Don Patterson said. Some of the household goods were saved by the volunteers.

Neither the parents, nor any of the three Griffith children, were home when the fire started.

Y's Physical Program Honored

THE MARION YMCA was honored Friday in recognition of exceptional work in physical education. Paul Hartman of Columbus, physical education secretary for the Ohio-West Virginia YMCA Area, is shown presenting an eligibility certificate granted by the National Council of YMCA'S through the National Physical Education Committee to R. R. Bush, chairman of the committee. Shown here (left to right) are Bush; E. G. Siefert, president of the Marion YMCA; Vern Miller, physical education director; and Hartman.

The certificate is awarded only to YMCA'S in which physical departments maintain high purposes and ideals and standards in keeping with the aims outlined. Certificates are awarded every three years to YMCA's meriting them. Among the requirements needed to win the certificate are a balanced and interesting physical education program, physical education committee and volunteer leadership to give policy and program guidance, qualified professional leadership, operation under an adequate written policy, a member in good standing of the National Council of YMCA's, seeking ways to discover and meet inspection, revisions, amplifications and modernizations of the program in the light of new developments and new constituencies, and consideration as basic requirements maturity in thinking and judgment, and extension of influence as far as possible in building good citizenship based on Christian principles.

Bowling

Roy Shirk rolled 242-606 to set the pace in the Marion Recreation League Friday. Oscar Betz cracked 232-581 and Roscoe Gruber tallied 208 while Bob Ridenour of Wayside Turkeys rolled three straight 150 games. C&O No. 1 walked off with team honors by netting 884-2532.

In City League play, Bob Mayard hit 215 and Chuck Gruber totaled 557 for top games. Gruber had a 200 game in his series while Maynard accumulated 545. Harold Gilmore rolled 208, Frank Minor 212-548, Earl Farley 205-552, Bob Hastings 542, Charles Seebach 543 and Rufus Smith 541 for other high scores. Splits included a 5-7 by Abe Avery and 5-7-10 by Bill Lee. Quaker Oats with 889-2585 topped the teams.

Waldo School Top Spellers Selected

Elimination finals were held at Waldo School Friday with three students named to represent the school in the Waldo Invitational Spelling Bee, March 3.

Representing Waldo in the spelling contest next Thursday will be Judy Newell, sixth grade winner, Patty Cramer and Linda Lichtenberger, eighth graders who tied for first place from their class. Douglas Denzer was high scorer for the seventh grade, but the three students with higher spelling scores will represent the school. Each of the spelling contest winners was awarded a trophy.

Each school in the Marion County system will send its three top spellers to the invitational competition. The winner of the county contest will receive a trophy and will be eligible for the state-wide spelling bee sponsored by the Columbus Citizen in Columbus. The winner of the state contest will be awarded a trip to Washington, D. C., where the National finals will be held. The winner there will receive a $500 award.

It is expected that the county spelling contest will become an annual event.

Saddler Aims For Crack at Carter's Title

NEW YORK (AP)—He's not the old Sandy Saddler of pre-Army days but the featherweight champion still is the best in his division by far.

He proved it once again last night by walloping 31-year-old Teddy Davis of Hartford with monotonous regularity en route to a unanimous decision in the title 15-rounder in Madison Square Garden.

Having disposed of the No. 1 contender of the 126-pound class, Sandy looked forward with eagerness today in the direction of lightweight king Jimmy Carter.

"That's the one we want next," said manager Charley Johnston. "Sandy has wiped out everyone else so we might as well go after Carter. I'm going to try and make it for May or June outdoors."

"Carter? Sure, man, if there's money in it, he's the man for me," said Saddler.

Davis, the "losingest" challenger of all time with 47 previous defeats on a spotty record, blamed an injured right hand for his one-sided defeat.

There was a small lump on the hand about two inches back of the knuckle of his index finger.

"I hurt it in the third round when I hit him on the head," said Davis.

"He's a rough fighter—a dirty fighter," said Davis. "He breaks the rules. The referee should have taken a few rounds away from him."

Harry Kessler, who officiated, warned Sandy many times for holding and hitting and low punching but he didn't penalize the champion. He also warned Davis for his bulling.

Kessler scored it 11-3-1. Judge Harold Barnes had it 12-3 while Judge Bert Grant had it closest with a 9-6 score. The AP card was 10-3-2 for Saddler.

CRAWFORD GIRL NAMED

BUCYRUS — Miss Ruby Crissinger, a junior at Mount Zion High School and the daughter of Mr. and Mrs. T. F. Crissinger of near Bucyrus, has been selected by the state Future Homemakers of America supervisor to be in charge of all FHA booths at the Ohio State Fair in Columbus this year. She also will serve as a junior fair representative on the state fair board.

About two-thirds of all American households own at least one car.

Top Teams Appear

Sectional Tourney To Begin Monday; Two Games Slated

Marion's 1955 Class A Sectional basketball tornament is slated to open Monday night at the Coliseum with top-seeded Shelby seeing action in one of the two opening night tilts.

Ashland 8-8, takes on Mansfield Madison, 7-13, in the opener at 7 p.m. while the undefeated Whippets face Bucyrus, 8-8, in the 8:20 p.m. nightcap.

Play will continue Wednesday night with two contests. Harding, 6-14, goes against Galion, 9-7, in the opener and second - seeded Mansfield, 14-3, opposes Upper Sandusky, 3-13, in the nightcap.

Semi-final play is carded Friday and the finals will be held the following night. The winner will earn a berth in district play at Toledo.

Gates at the Coliseum will open one hour before game time at 6 p.m., Monday night. There has been an advance sale of 2,000 tickets at the four schools which open tourney action Monday and tickets for the Harding game Wednesday will go on sale Monday at Harding and Marion junior high schools. Advance student tickets will be 40 cents.

Two of the state's most highly rated squads are appearing in the local tourney. Shelby has won 18 in a row and is the state's highest scoring Class A machine. Mansfield has lost only five games to top flight opposition.

Chesterville Wins First Cage Crown In Morrow Action

Chesterville claimed its first tournament title in the 34-year history of the Morrow County event last night with a 54-48 win over Johnsville at the Coliseum.

The Eagles had been the only team without a tourney crown until last night. They had finished in the runner-up spot and had taken the County League title twice.

The two teams battled to an 8-8 first period deadlock and at the half the winners held a slim 24-22 lead. Chesterville clinched the verdict by scoring 16 straight points at the start of the third period to hike its lead to 40-24.

Bob James scored 20 points to top the new champions' attack and Cliff Perkins added 13 while Craig scored 10. Frey with 19 and Lyle Snavely with 13 were high for the losers.

In the consolation finals Edison nipped Cardington 50-48. Leading at the end of the first quarter 12-10, the winners clung to two points to lead at the half 22-20. They were out front 41-34 at the start of the final stanza.

Hawk's 17 was tops for the winners while Gillson netted 14. Dean Curl and Poorman each collected 14 for the Cardington team.

Johnsville and Edison will clash tonight at Mount Gilead High School for the second Morrow County berth in district play. In a reserve game last night, Chesterville's futures downed Marengo 37-33.

Favorites Trail Newcomer in Houston Open

HOUSTON, Tex. (AP)—All the favorites were trailing a 23-year-old newcomer today as one of the tightest fields in Houston Open history began the third round of the $30,000 golf tournament.

Wesley Ellis, who talks with as much confidence as he exhibits on the tee and green, held a one-stroke lead at the halfway mark.

The pair of 68s by the young Rivervale, N.J., pro left him with an eight-under-par 136 for 36 holes on the 7,200-year par 72 Memorial Park course. A stroke away at 137 were Demaret, Ed Furgol, the national open titlist from St. Louis, and Ed Carpenter, San Antonio.

Hillman Robbins, the 22-year-old intercollegiate champion from Memphis State, has left all other amateurs, and many of the veteran pros, far behind. His 71-67—138 has earned a tie for fifth place with Doug Ford of Kiamesha Lake, N.Y. Ford has had a pair of 69s.

Cary Middlecoff, the pretournament favorite from Memphis was six strokes off the pace at 142.

Dave Doglas, the defending champion from Newark, Del., trailed by nine with a 74-71—145.

Crawford County Finals Scheduled for Bucyrus

BUCYRUS — History repeats itself here tonight in the championship finals of the Crawford County Class B basketball tournament.

Sulphur Springs and North Robinson, the 1954 finalists, again will be battling for the title in the evening's second game starting at 9 p.m.

In the curtain raiser at 7:30 p.m., Lykens (17-5) meets Holmes-Liberty (11-7) for the consolation title with the winner advancing to the district tournament at Mansfield along with Sulphur Springs and North Robinson.

Sulphur Springs will be playing in its fourth championship finals in the last five years. Last year, the Yellow Jackets whipped North Robinson, 79-62. In the 1953 finals, Sulphur edged Mount Zion, 69-66, and in 1951, Sulphur nosed out Leesville, 61-60.

The Yellow Jackets have a 15-5 mark for the season and Robinson has won 12 of 17 starts.

Donians Face Claridon

LaRue and Prospect Battle Tonight for Tourney Crown

LaRue's veteran senior quintet faces Prospect's young Bulldogs for the 1955 Marion County basketball title tonight in the finals of the county tournament at the Coliseum.

The two clubs will take the court at 8:45 p.m. following a consolation battle between Claridon and Caledonia for the all important third position at 7:30 p.m.

The largest crowd of the six-night session is expected to watch tonight's championship battles. Semi - final action last Tuesday night attracted 2,957 county cage fans, a new attendance mark for county tourney play at the Coliseum.

—:—

LARUE, 17-2, and Prospect, 19-2, gained the tournament finals by whipping rugged opponents in the semi-finals last Tuesday night. LaRue was extended to the limit before nipping Claridon's defending tourney titlists 56-54 and Prospect's 1954 tournament runners-up hurdled a halftime deficit to whip Caledonia 77-69.

The county league's one - two scorers during the past season will be matched in the Prospect-LaRue championship tilt. Bob Rodgers popped in 239 points in 10 league contests for Prospect while LaRue's Larry Hickman was the only other county league cager to notch as many as 200 points. He collected 223.

In tournament competition, Rodgers has shoved in 76 tallies in three games. Thirty-six of those came against Caledonia Tuesday. Lanky Bob Emery, who was Prospect's second best league scorer with 129 markers, and Roger Remlinger both have 30, George Moser 22 and Roger Landon 15 to round out Prospect's main tournament scorers. Raymond Hosey, LaRue's other scoring threat in county league competition with 173 points, is pacing the Indians' offense in tourney action with 57 markers in three games. Hickman has 55 and is trailed by Bob Hughes with 22, Keith Cooper with 19, and Bill Guthery and Norman Buyer each with 14.

Lone loss for LaRue's league co-champions during the past league season was a 70-62 decision to the same Prospect squad nearly a month ago. After losing to Caledonia 68-66 and Claridon 52-49, Prospect came back to post seven straight county league victories and moved into the league runner-up position with an 8-2 mark.

Caledonia's league co-champs own an early season 74-60 decision over Claridon's taller Hornets but are expected to run into stiffer resistance tonight against Coach Bus Augenstein's tough tourney squad. Claridon had won the county tournament title two straight years prior to this season.

—:—

CALEDONIA'S lone league loss during the past season was to LaRue 89-73 a month ago. Claridon was whipped by LaRue 85-68 more recently and also dropped an earlier season contest to Caledonia.

The Donians and Hornets will be battling for the third and final berth in district play at Otterbein or Capital. Prospect and LaRue are already assured of district spots. Claridon (16-3) reached the consolation finals by trimming Meeker 58-44 Thursday night while Caledonia (16-4), earned the other position by edging Pleasant 63-57 in the nightcap.

Gene Rice and Jerry Gorby, Caledonia's one-two scoring combination in county league play, have been the Donians' main scoring threats in tournament action. Rice, who hit for 146 in county league tilts, has 59 tallies in four tourney tilts and Gorby, who netted 151 during league play, has 55 after dropping in 22 against Pleasant Thursday. Doug Whiteamire has 51 and Irvin Hunt 43 to support the two leaders while Bob Dickerson has been good for 20 and Jim Ulsh has totaled 15. Dickerson was Caledonia's third best scorer in league competition during the past season with 134 points.

Gary Row is by far Claridon's scoring leader in tournament action. He netted 19 against Meeker Thursday and now has 46 in three tourney games. Bob Johnston with 29 is next in line while Bob Howser had 25, Gail Castle 23 and Larry Row 20. Johnston, Castle and Larry Row all hit in double figures in the triumph over Meeker. During the league season, Castle popped in 167 markers, Johnston 141 and Gary Row 132.

Down Holy Family

Mount Gilead Cagers Clinch Berth in District Cage Play

Mount Gilead's defending district champions clinched a spot in the Central District Class B tourney last night at Westerville with a convincing 59-35 victory over Co-Columbus Holy Family.

Jumping into an early lead, Frank Truitt's charges were never tested by the Columbus squad. The Indians grabbed a 17-8 edge in the opening quarter and by the halftime intermission had built up a 31-16 edge. They led 47-24 at the start of the final stanza.

Truitt pulled his starters for the final period and finished with his rugged bench strength. The victory gave the Mount Gilead squad a 20-3 record to carry into district action.

Jim Sweeney was high man on the totem pole last night with 12 points. John Staley added 11 and Gene Brush connected for 10 to lead the winners' scoring. Steve Elgin was the only Columbus player to hit for double figures. He collected 12 points.

The Indians held a 23-12 advantage from the field and a 13-11 edge at the free throw lines.

Bucyrus Nets 68-50 Win Against Rams

BUCYRUS — Bucyrus' Redmen rolled by Upper Sandusky 68-50 here last night in the season finale for both squads. Bucyrus finished with a 9-8 record and 3-4 in league play. Upper Sandusky's record stands at 2-11 and 0-7 in the Northern Ohio Loop.

The visiting Rams took a 15-12 lead after the first quarter but trailed at the half 28-25. Roger Freshwater pumped in 23 points to top the local attack and Fred Frey hit for 13. Ned Bibler had 11.

Dave McClain was high for the Rams with 23 and Ken Graham hit for 10. The Bucyrus reserves won the preliminary 62-41.

Explosion in Lancaster Thought Caused by Jet

LANCASTER, Ohio (AP)—An unexplained blast knocked a hole in a factory roof and shattered windows in six business places here yesterday. Police theorized the explosion might have come from a jet plane breaking through the sound barrier, but there were no reports to confirm the theory. Broken glass from one department store window cut a gash in the forehead of 15-year-old Robert Elder.

Sandusky Defeats Marion Swimmers

The Sandusky Junior High School swimming team edged the Marion YMCA Junior team 38-37 in a thrill packed meet in the local pool Friday night.

The winners set three pool records in posting their second decision over the locals this season. Harting of Sandusky accounted for two pool marks by winning the 25 yard and 50 yard freestyle sprints in record times. The Sandusky freestyle relay needing a win to take the meet clipped the pool record of the locals by five seconds as the Marion team also finished under the old record of 2:11.5. Swimming on the record breaking relay were Tigges, Gill, Harting and Nemitz.

Greg Axe continued his winning streak by posting wins in the breaststroke and individual medley events both in near record time. Other individual wins for the locals were by freestyler Mickey Bowlin in the century freestyle and Bob Rhoads in the fancy diving.

Today the Y team will oppose the powerful Toledo Y in a meet sure to produce many pool records and featuring three of the fastest swimmers in the United States.

Man Proves He's Tough, Shoots Self—and Dies

CINCINNATI (AP)—After Fred R. Gowen, 26, told Mrs. Anna Watson, 24, that she should not "be mixed up with men like me," he drew out a gun and said, "This is the equalizer I use in my business." The gun went off and Gowen was wounded fatally. Police said Gowen probably pulled the trigger accidentally while trying to "show off."

Mitchell and Dente Sign With Indians

CLEVELAND (AP) — Outfielder Dale Mitchell and shortstop Sam Dente came to terms yesterday with the Cleveland Indians, leaving 10 holdouts.

Salary terms were not announced but it is believed Mitchell took a small cut and Dente got a small raise. Mitchell, used as a pinch hitter, had a .283 average with 17 hits in 60 trips to the plate. Dente, who subbed when George Strickland was injured, hit 45 times in 169 chances for a .266 average.

Top men still unsigned are outfielder Larry Doby, second baseman Bobby Avila and pitcher Early Wynn. Others are Dave Philley, Rudy Regalado, Wally Westlake, Bill Wight, Bob Hooper, Hank Foile and Hank Aguirre.

Arrangement Of Kitchen and Laundry Given

Ideal Is Room Which Centers in One Area All Housewife's Tasks

In basementless homes which have a large kitchen area, extension of the usual steel cabinet installation in conjunction with today's streamlined washers, dryers, and ironers creates an ideal kitchen - laundry arrangement which centers all of the housewife's basic tasks in one room

Adaptable to storage of washing materials and clean ironed linens and curtains as well as to kitchen storage, steel cabinets are a natural for such a kitchen-laundry setup They match beautifully all the modern appliances for kitchen and laundry and permit unique decorative effects that make the room a truly pleasant place for the homemaker to work

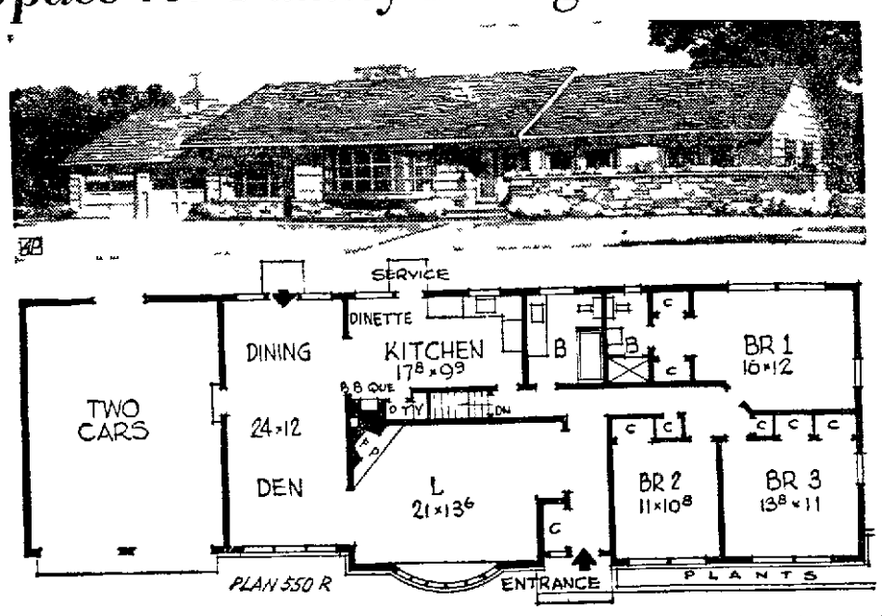
In designing a kitchen laundry the steel cabinets both base and wall units simply can be extended from the kitchen area in continuous rows over and around the laundry equipment in U or L-shaped kitchens Or in rooms which do not permit such styling kitchen equipment and cabinets can be aligned on one side of the room with washer, dryer, and ironer and laundry storage units on the other side in a parallel-wall arrangement

To be truly efficient laundry areas need to be planned just as does the kitchen, and the combination of the two into one installation provides the ultimate in household efficiency In fact even in many homes which have basements the kitchen laundry styling has been utilized for this very reason

Actually the kitchen need not be exceptionally large to effect a kitchen laundry design For steel cabinets provide a wealth of storage space in just a few units because they have strength and capacity without bulk and require less floor and wall area than other style cabinets

The steel storage units will neither shrink nor warp and require no care other than an occasional cloth wiping another factor which makes them ideal for use in kitchen and laundry.

Space for Family Living Is Provided



SPACE FOR FAMILY LIVING is featured in this plan for a fieldstone and shingle ranch type dwelling The secondary living room or family room comes up out of the basement in the form of a den merging with the dining room A barbecue fireplace is in the kitchen This is plan 550-R designed by Lester Cohen architect for the Archway Press 117 W 48th St, New York 36, N Y The house covers 1 700 square feet without garage

First Aid for the Ailing House

By ROGER WHITMAN

Q I have already noticed, during the first cold weather the four corners in my basement became covered with heavy white frost Also the walls in the coal bin What can I do about this? The house is nine years old and this will be my first winter

A. I suspect that the basement walls are not well below grade and the freezing outside temperature causes frost to form The only solution I can see is to fur out the concrete walls place an insulating blanket between the furring strips, then finish the walls with an insulating wallboard I am assuming of course, that the foundations are dry If not, they should be made waterproof on the outside

Q. Thinking I had a steady enough hand I used brass polish on the switchplates on my living room and dining room walls But I was mistaken and in spite of my best efforts to prevent it some of the polish got on the painted woodword How can I remove the paint?

A The smudges should come out easily by wiping with a cloth dampened with turpentine I suggest for future reference that you remove the switchplates before polishing them Most of them simply unscrew with no difficulty at all This procedure should also be followed if the woodwork is to be painted

Q I have a cottage in which the walls are of pulpfiber wall board I would like to paint the walls including the bathroom The ceiling is of the same board Will you kindly advise me what to use to cover the nails holding the board? These walls have never been painted and the board is white

A Since the wallboard has never been painted and if you intend using an oil-base paint first apply a primer sealer, then use the paint in the usual manner When using a rubber base wall paint or resin emulsion paint the primer sealer need not be used The kitchen and bathroom walls should be painted with a gloss or semi-gloss enamel To cover the nails use spackle or putty

Q I have scrubbed asphalt tile with many different products and applied wax on them but to no avail No sooner does somebody walk on the floor than the tiles become scuffed I would like to know how I should go about cleaning these floors and getting them to look bright and clean

A Asphalt tile should be cleaned with a mild soap suds or one of the cleaning preparations made by several of the asphalt tile manufacturers All traces of the cleaner or soap should be rinsed off and the floor must be thoroughly dry before wax is applied Only a liquid self polishing wax should be used on such floors and it should be applied in a thin even coat Too much wax on any type of floor will tend to show scuff marks Use the better brands of waxes for good results

January Contracts Highest in History

CLEVELAND — Ohio had the highest January in its history for contracts awarded for future construction according to Dodge Reports totals Carl S Bennett F W Dodge Corporation regional vice-president said the 1955 figure for January was also 4 per cent above January 1954 but 19 per cent below December 1954 The dollar volume was $120 877,000

Nonresidential for January was down 18 per cent from December and down 34 per cent from January 1954 with awards of $43 883-000 Residential with awards of $58 022 000 was 9 per cent lower than December but 77 per cent above January 1954

Heavy engineering with awards of $18 972 000 was 41 per cent below December but 12 per cent above January 1954

Cleaner Is Versatile

For how many of your cleaning jobs do you use one piece or another of your vacuum cleaner equipment? Closet floors shelves walls? Hot air registers radiators bathroom and kitchen floors before washing Bookcases, books fireplaces, stairways

If you cannot do all of these things on a certain day, so some one time others the next By making good use of all the helpful vacuum cleaner equipment available, a necessary chore will be done most efficiently and with a minimum of effort

Child's Interests Guide Redecorating of Room

Applying new and lovely color to a drab or discolored surface is fun at any time Doing over a child's room is probably the most fun of all Children have very definite color preferences and their many interests suggest a wide variety of decorative themes The new types of interior coatings are both easy to apply and easy to cleanse of grimy finger marks

If you're doing a room for a young child who is still at an age where he is likely to chew or "mouth" toys or furniture check with your dealer regarding the proper paint to use Never for instance be tempted to use left-over exterior paint where a child may get it in his mouth Such exterior paints, made durable to withstand the driving force of all kinds of weather, are definitely of weather are definitely not made to eat

Water Heater Size Should Be Correct

Before buying appliances that require hot water for their operation the first thing to do is check capacity of the automatic water heater, the Plumbing & Heating Industries Bureau warns That being the case how is the homeowner to know if his water heater is too small?

A good rule-of-thumb to follow in determining adequate water heating capacity is this A house with 1 or 2 bedrooms and one bath should have as a minimum a 30-gallon water heater a house with 3 or 4 bedrooms and one bath, a 40 gallon heater, a house with 2 or 3 bedrooms and two baths a 40 gallon heater a house with 4 or 5 bedrooms and two baths, a 50 gallon heater a house with three bedrooms and three baths a 50 gallon heater and a house with four or five bedrooms and three or four baths, a 75 gallon heater

All of the above are minimum recommendations If an automatic clothes washer or dishwasher is to be installed the next larger size water heater should be chosen

Ranch-Style Home on Center St. Sold

THIS RANCH-STYLE home at 1036 E. Center St. recently was purchased by Mr. and Mrs. Eugene G. Galloway from Mr. and Mrs. Fred Porter. It has a large living room with a wood-burning fireplace, two bedrooms, basement, and a breezeway to the attached two-car garage. It was in the $22,000 price range. Paul D. Hoch of the Hoch Real Estate Agency handled the transaction.

LOAD BRUSH PROPERLY

There's a knack to loading a brush with paint properly. Dip your brush into the paint about one-third of its bristle length, then tap it gently on the sides of the can to settle the paint into the brush. Never scrape your brush on the rim of the can. Always begin with a clean brush.

Ways To Improve Room Size Listed

To make a long, narrow room seem wider, use a dark color on the two end walls—either a darker shade of the color on the side walls or a contrasting color. But with windows on one end wall, it is best to hang dark wall-to-wall draperies there, and paint the opposite wall their color.

Light wall colors, however, make a small room seem spacious.

Fabrics, too, should be light. Whereas heavy textures and bold tones eat up light, smooth surfaces and pale colors radiate it, according to fabric authorities.

Good examples of light-creating fabrics are found in glazed chintz with flower designs like sweet peas on white; and in smooth-faced clipper sailcloth in Rock Garden patterns of delicate gray flowers on a white ground.

In addition to light colors, use small - scaled furniture, arranged to leave the center of the room and paths from the door clear. This way any room gains size.

SPEEDS CLEAN-UP

When using a paint roller, it's a good idea to line the roller paint tray with aluminum foil when you're using an oil-base paint. This facilitiates your clean-up job after your painting project is finished.

Building Permits

Four building permits for construction valued at $104,000 were issued at the Marion City Clerk's office in the week from Feb. 18 through 24. This was above the same period last year when eight permits for $30,300 were issued.

The permits were:

G and G Builders, nine houses on Lilac Lane and Poppy Place (west of Blaine Ave. south of Bellefontaine Ave.) $63,000.

William Hutchman, Vernon Heights Blvd., house, $18,000.

Sun Oil Co., Council and N. Main Sts. service station, $15,000.

C. C. Plumley, Cheney Ave., storage building, 46-feet by 80-feet of concrete block construction, $8,000.

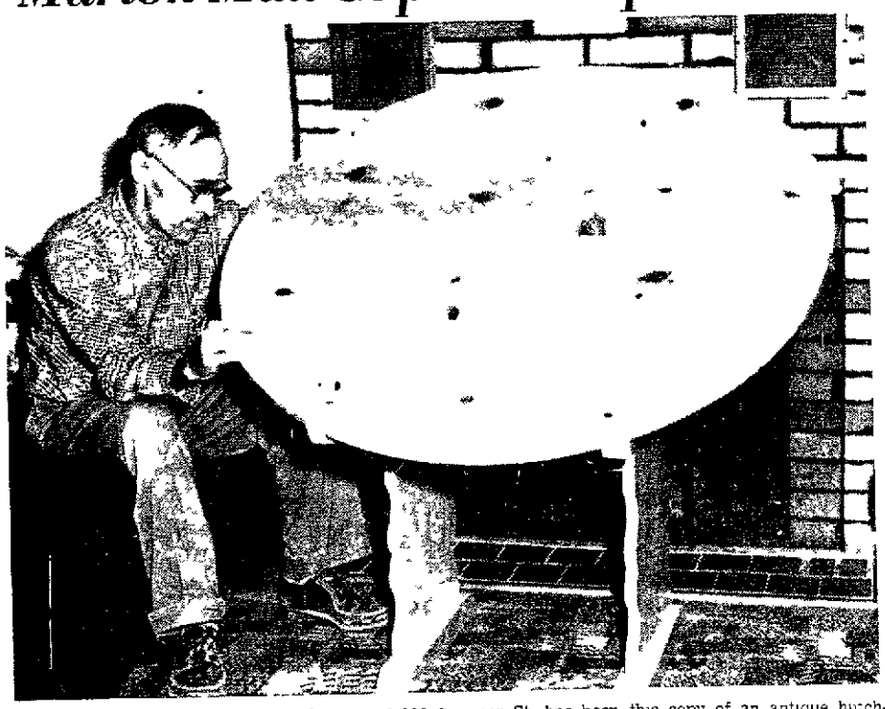
Marion Man Copies Antique Table



A WINTER PROJECT for Guy Ganson of 328 Spencer St has been this copy of an antique hutch-table The original table is on display at the New York Historical Museum Ganson got the idea for making the table after he saw a picture of one in a magazine recently The table top lifts up (as shown in this picture) and there is room for storage of table linens in a compartment underneath the top Mrs. Ganson reports her husband has also made other items for their home

Wallpaper Hanging Is Simple, Grandmother Tells Beginners

By VIVIAN BROWN
AP Newsfeatures Writer

Here's a challenge for you A 70-year-old woman says "Anybody can put up wallpaper I've just finished my third room."

How does she do it? Easy she says What's more she offers her tip and makes it sound simple

The most important thing she says, is preparation Gather up the things you need beforehand—the exact amount of wallpaper, a good sharp knife, razor or other implement sold for the purpose, scissors, wallpaper paste brush and a mixing implement Grandma used a big wooden spoon Here's how according to her.

Scrub Down Wall

1 Scrub your wall down Rinse it, Size it (Water type paints aren't too good as a base and it is better if the paint can be removed before you tackle the papering)

2 Buy paste from your local store It might come in a sack Follow directions Mix it to a smooth consistency in a large receptable (She uses a big bucket) Little lumps should be smoothed out by hitting your spoon against the side of the bucket (the same as you would in making white sauce she says)

3 Your wallpaper should have been selected to exact measurements with allowance for error and some to spare Don't stint (Measure your room and give the measurement of the entire room wall by wall, to your local wallpaper dealer He'll figure out the yardage for you)

Flat Surface Needed

4 A flat surface of some kind is necessary. Either the floor or a long table may be used (Professional wallpaperers use large boards placed over sawhorses) Put brown paper over the table surface to keep wallpaper clean

5 Measure to the direct center of each wall to be papered Put a dot in the center of your wallpaper also, measuring distance on either side the width of the wallpaper and drawing straight lines down from ceiling or molding to floorboard where the wallpaper should fit exactly You'll work from that center point matching wall dot to wallpaper dot and fitting wallpaper within the straight lines you've made

6 Measure off the amount of wallpaper needed for a panel plus a couple of inches to spare Smear the whole thing with paste, making sure you erase any little paste lumps that might gather on the paper by coating with the paste

7 Take the lower section of the paper about one quarter of the way up and sort of loop it under to the paste so that it will be easy to carry to the wall (The paste will not dry so fast that it will cement this together)

8 Pick up the paper carefully and place it evenly at the ceiling line or directly under the molding Take a cloth (which should be at the top of your ladder) and smooth the paper on at that point—dot to dot Edges should fall evenly along the lines you've drawn on the wall Rub would-be bubbles as you go down

9 When wallpaper piece is in place, take your sharp knife and trim off an even edge that fits snugly into the baseboard

10 Work from that center point of the wall out, slicing off excess paper at the end-of-the-wall moldings

Grandma cautions that wallboard, plasterboard and stippled surfaces require advance treatment and that if you haven't got good plaster walls, better leave your paper hanging job to a professional

Paint Walls, Woodwork One Color, Experts Say

The current custom of painting walls and woodwork the same hue is a fashion favorite these days It is also highly practical because so many of today's paints have a velvety finish that is pleasing to the eye and a durability that permits them to be washed repeatedly

Using the same color on the walls and woodwork of a small room makes the room look larger by eliminating the eye-catching contrasting hues that seem to "cut up" the wall areas Following the same practice is often advisable in rooms where the woodwork is not well placed By making the woodwork blend with the surrounding wall, its deficiencies are made less noticeable

The sugar regarded today as a necessity in every household was so rare before the 16th century that only the extremely wealthy could afford it

Previews of the Coming Attractions at the Local Theaters

JAMES STEWART and Ruth Roman are shown above as they appear in a scene from the technicolor adventure story, "The Far Country." It will be the main attraction of a double feature which opens Sunday at the Palace Theater.

RIGHT AND WRONG

MEMPHIS, Tenn. (UP) — A motorist stopped by police because they didn't see a city inspection sticker on his automobile, insisted he had a sticker and pulled down the car's sun visor to prove it. Out fell the sticker—plus two traffic violation tickets dated several months before. He beat the $5 inspection sticker fine, but had to pay a total of $22 on the old violations.

The Week's Top Features

PALACE

Sunday - Saturday — Double feature, "The Far Country" starring James Stewart, Ruth Roman, Corinne Calvet anl Walter Brennan, and "The Sleeping Tiger" with Alexis Smith, Alexander Knox and Dirk Bogarde.

OHIO

Sunday - Wednesday — "Desiree" starring Marlon Brando, Jean Simmons, Merle Oberon and Michael Rennie.

Starting Thursday — "Karamoja" and "Half-Way To Hell." Special matinees.

MARION

Midnight tonight - Monday—"Yankee Pasha" and "Texas Carnival."

Tuesday - Wednesday — "Take the High Ground" and "The Bigamist."

Thursday - Saturday — "Mogambo" and "Escape From Fort Bravo."

STATE

Sunday - Monday — "Dawn at Socorro" and "A Bullet Is Waiting."

Tuesday - Thursday — "Tennessee Champ" and "Gypsy Colt."

Friday - Saturday — "Living It Up" and "In Society."

'Desiree,' Starring Marlon Brando, on Ohio Theater's Bill

"Desiree," a Cinemascope production in color which relates the story of the romance between the young Napoleon and an enchanting French girl from Marseilles who later was jilted for the exotic Josephine, will be shown Sunday through Wednesday at the Ohio Theater.

Marlon Brando and Jean Simmons are starred as Napoleon and Desiree, while Merle Oberon is seen as Josephine and Michael Rennie as Bernadotte, Napoleon's great military strategist.

Providing the basis for the story in this screen adaptation of a best-seller are the intimate revelations from the diary of one of history's most captivating women.

Desiree Clary is the young daughter of a Marseilles silk merchant who meets and falls in love with Napoleon Bonaparte, and who from that moment on is destined to stand in the shadows of history in the making even though she eventually becomes Queen of Sweden.

Starting Thursday will be a double feature, "Karamoja" and Quentin Reynolds' story, "Half-Way To Hell." Special daily matinees will be shown during this engagement.

"Karamoja," filmed in color by Dr. and Mrs. William B. Treutle, California citizens, brings to the world its first knowledge of the Karamojan tribe of uncivilized people in Africa. It relates their fantastic daily rituals, the religious sacrificial ceremonies and thanksgiving prayers, their entire way of life.

"Half-Way To Hell" reveals what goes on behind the Iron Curtain. Through the eyes of a movie camera, you see what has been transpiring in those countries. It shows the atrocities, slave-labor situations, concentration camps, tearing down of the churches, burning of the finest literary properties and burying of women and children alive, along with many other scenes.

'The Far Country' Will Open Sunday At Palace Theater

"The Far Country," an adventure story of the blooming Yukon gold rush days, is the main attraction of the double feature which opens Sunday at the Palace Theater and will continue throughout the week.

Starred are James Stewart, Ruth Roman, Corinne Calvet and Walter Brennan.

Completing the billing will be "The Sleeping Tiger" with Alexis Smith, Alexander Knox and Dirk Bogarde.

In "The Far Country," James Stewart portrays Jeff Webster, who lives for himself alone until he realizes that he must help bring law and order to the brawling land.

A hard and tough man, he shoots a couple of riders who try to make off with the herd of cattle he has ticketed for the fabulous Yukon beef prices.

The picture was filmed on location in the far nothern Canadian mountains.

In "The Sleeping Tiger," a suspense thriller, the principal characters are a psychiatrist (Alexander Knox), his neglected wife (Alexis Smith) and a handsome criminal (Dirk Bogarde), who becomes an unwilling guinea pig when the doctor decides to reform the thief rather than turn him over to the police.

The "cure" entails a six months' residence in the psychiatrist's household. From the beginning, there is tension and a certainty that the doctor's experiment will have tragic repercussions.

MARLON BRANDO as Napolean heads the cast of the film dramatization of a best-seller, "Desiree," which will be shown Sunday through Wednesday at the Ohio Theater. Others in the cast are Jean Simmons, Merle Oberon and Michael Rennie.

'Yankee Pasha' Is One Of Features at Marion

"Yankee Pasha," a romantic-adventure drama in technicolor starring Jeff Chandler and Rhonda Fleming, and "Texas Carnival," a technicolor musical featuring Esther Williams, Red Skelton and Howard Keel, will open in a midnight show tonight at the Marion Theater and continue through Monday.

The story of "Yankee Pasha" deals with the efforts of a New England fur-trapper to find and rescue his sweetheart who has been captured in the high seas by Moroccan pirates and sold into a Moorish harem. In the latter, Esther Williams and Red Skelton are a couple of down-and-out carnival performers who sample the rich and full life when they are mistaken for a millionaire cattle ranchman and his sister.

Billed for Tuesday and Wednesday are "Take the High Ground" and "The Bigamist."

Starring Richard Widmark, Karl Malden, Carleton Carpenter, Russ Tamblyn and Elaine Stewart, "Take the High Ground" is a story of life at an Army training center.

The attractions Thursday through Saturday will be "Mogambo" starring Clark Gable, and "Escape From Fort Bravo" with William Holden, Eleanor Parker and John Forsythe.

"Escape From Fort Bravo" is the story of a Union captain and his soldiers who put up a valiant fight to hold the vast desert wastes surrounding Fort Bravo against the encroachment of Indian raiders.

'Dawn at Socorro' Set For Showing at the State

"Dawn at Socorro" starring Rory Calhoun and Piper Laurie, and "A Bullet Is Waiting" with Jean Simmons and Rory Calhoun, will be shown Sunday and Monday at the State Theater. Both are in technicolor.

Billed for Tuesday through Thursday are "Tennessee Champ" and "Gypsy Colt." The former stars Dewey Martin and Shelley Winters, and heading the cast in the latter are Donna Corcoran and Ward Bond. "Gypsy Colt" is in technicolor.

Dean Martin and Jerry Lewis are the stars of the technicolor film, "Living It Up," which will be the main attraction of the Friday and Saturday billing. Also showing will be "In Society" starring Abbott and Costello.

Rubber Railroad Opposed by Union

Members of Lodge No. 1059, International Association of Machinists, went on record as opposing the proposed belt line now being debated in the state legislature at their meeting Thursday night in the Central Labor Union Hall.

The belt line, which is designed to carry iron, ore and coal, will affect railroad employes and also reduce revenue on the railroad, union members fear. The members also authorized the secretary to write the state senator, J. E. Simpson of Forest, and Kenneth Robinson, county representative, expressing their opposition.

Edward Dillon, a retired member now making his home in Huntington, Ind., gave a talk on his recent trip to Florida and Cuba.

A social hour followed the business session.

The lodge, made up of approximately 200 members, meets the second and fourth Thursday of the month.

The albatross often flies at around 60 miles an hour.

Man Found Innocent

DAYTON, Ohio (AP) — Vladimer Stephen Kozloff, 58-year-old engineer, has been found innocent of charges that he offered a $10 bribe for a better job classification at nearby Wright - Patterson air Force Base. Kozloff, cleared yesterday by a federal court jury, says he doesn't know whether he wants to go back to work at Wright-Patterson, where he was suspended last summer.

1-B—IN MEMORIAMS

IN LOVING memory of our husband and father, Elmer E. Denman, who left us one year today, Feb. 27, 1954.

They say time heals all sorrow and helps us to forget.
But time so far has only proved
How much we miss him yet.
God gave us strength to fight it and
Courage to bear the blow
But what it means to lose him no one will ever know.

Sadly missed by wife and daughters, Mrs. William Eddy, Mrs. John Brookes

IN LOVING memory of Fred T. Gilbert who passed away Feb. 27, 1952

No one leaves the door that opens,
When they pass beyond our call,
Soft as loosened leaves of roses,
One by one, our loved ones fall.

Mrs. Fred Gilbert,
Mrs. Merle Johnson and Family.

Holiness and Heaven

A Sermonette

By REV CLYDE R WENDELL
Pastor of Calvary Evangelical United Brethren Church

"Follow peace with all men and holiness without which no man shall see the Lord " Hebrews 12 14

By heaven we mean that state of eternal glory toward which all believers are traveling and for which they are striving in their fight against Satan and sin

Our conception of heaven implies at least three things first the absence of all sin evil, pain and suffering second the presence of all good, both of the purest and most exalted kind third ' complete satisfaction of all the desires of the soul, at all times and through eternity, without the possibility of decrease on the one hand or of an termination of the existence of the receiver or the received '

Heaven is an inexpressibly glorious state — it is a place but it is more It is a state of endless blessedness in the regions of glory but more it is God Himself sharing with those who have by His grace been made heirs of God

— —

SIN CANNOT enter heaven because it is forever excluded Its very presence would change the nature of heaven An unholy man cannot enter into heaven and were he in it it would be no enjoyment to him because it is not suited to him The nature of the resident must be suited to the place of residence ' Hence heaven requires holiness of its inhabitants

Before man can enter heaven he must meet death and pass the Judgment and these experiences takes true holiness ' Herein is our love made perfect that we may have boldness in the day of judgment because as he is so are we in this world There is no fear in love but perfect love (holiness) casteth out fear because fear hath torment He that feareth is not made perfect in love ' Holiness or perfect love gives courage to face the hour of death It gives confidence in the day of judgement Men want holiness in the hour and article of death

But God requires it in this life as our text reveals and Jesus declared Blessed are the pure in heart for they shall see God and Be ye therefore perfect even as your father in heaven is perfect ' and Zacharias, ' filled with the Holy Ghost prophesied saying that he would grant unto us that we being delivered out of the hand of our enemies might serve him without fear in holiness and righteousness before him, all the days of our life '

— —

ENTRANCE INTO heaven with sin in the heart is eternally impossible Hence, God provides it, commands it, and expects it in this life Meaning by sin the willfull transgression of a known law of God by a moral agent

Since holiness is necessary for admission into heaven, it is the highest folly to treat it lightly and to be indifferent to God's call, for He 'has not called us unto uncleanness, but unto holiness ' Simple logic based upon the scriptures reveals that it is morally impossible for God to create an unholy being, or to approve an unholy being or to require the impossible of any being, or for God to provide holiness and demand it and then let sin enter heaven and further it is morally impossible for any intelligent and responsible being to reject what Christ provides without rejection of the Christ who provided it Hence man s attitude toward holiness is of eternal importance

Bishop Foster said some years ago In the university of heaven, whose president is God and whose catalogue is the Bible, the course of study is plainly laid down We may say without fear of successful contradiction that God s Word has majored on holiness! It breathes in the prophecy thunders in the law murmurs in the narrative whispers in the promises, supplicates in the prayers, sparkles in the poetry resounds in the songs speak in the type, glows in the imagery voices in the language and burns in the spirit of the whole scheme from alpha to omega, from its beginning to its end — Holiness

— —

HOLINESS REQUIRED, "holiness offered holiness attainable, holiness a present duty a present privilege a present enjoyment, is the progress and completenes of its wondrous theme It is the truth glowing all over, welling all through revelation the glorious truth which sparkles and whispers and sings and shouts in all its history biography poetry prophecy, precept promise and prayer, the great central truth of Christianity

To reject this provision after being convinced of its possibility and imperative necessity will surely jeopardize one s initial justification No degree of success justifies any degree of disobedience To refuse to go on to this experience of cleansing after having had the guilt of sin forgiven is a sin against the God who designs it Christ who provides it the Spirit who effects it, the Church which needs it your own needy soul and others whom you may influence

Better Funeral Service Need Not Be Expensive
The character of the service furnished measures the value in funeral service
You could pay some hundred of dollars for a fine casket and still not have a satisfactory funeral if personal and professional service were not all that they should be
People are learning these things They find that an establishment such as ours has no old equipment, charges no more than others for a funeral. We welcome investigation.

Specialists Get Set To Handle Nuclear 'Duds'

FT NIAGARA N Y (UP)—A small group of Army volunteers here specializes in the dangerous art of disarming nuclear 'duds'—or A or H bombs that fail to explode

These 'duds" are considered one of the grim and dangerous possibilities of atomic warfare While much of the bomb-disposal work is secret it is known that ordnance disposal units have been designated to disarm nuclear duds and have been stationed near "target" cities

The 40th Ordnance Detachment of the Second Anti Aircraft Artillery Group is standing by here to render inert any Nike duds as well as the 90-mm shells now being used by the group The group will operate the Nike guided-missile bases being built on the Niagara Frontier

Unlike conventional bombs which often were exploded in place in World War II and in Korea nuclear duds would have so much destructive potential that they must be disarmed Also a dismantled nuclear bomb would tell U S experts the status of the enemy's atomic progress

The danger of the work explains why the ordnance men must be volunteers and get extra pay The men must have a disregard for that danger that lets them tinker with a bomb that may blow them up

Lt Walter Korsgaard commander of the unit, sees some rewards

Not many people can tell us how to do our work he said 'And there's the pride in doing something everyone can't do'

WELL DONE'

BAKERSFIELD Calif (UP) — Kern County claimed a world's record with completion of a 2 750-foot irrigation well near Edison The well located on the Guimara brothers ranch was reported to be the deepest irrigation well in the world

RECEIPTS SHORT

BARRINGTON, R I (UP) — Barrington post office missed becoming first class last year by a few sacks of mail It was $107 short of the $40 000 in receipts needed for a first class rating
